*Refer to general education requirements for acceptable options.

** To fulfill the total 92 semester hours required, electives should be chosen from service-related courses, business, cultural and diversity courses, arts and humanities, physical activities and nutrition. At least 15 overall upper division credits are required, 9 of which must be in one content area. The number of LD/UD electives will vary depending on what options are chosen for required course work.

***The minimum Biology electives include: one three (3) credit human biology course with lab and Physiology of Exercise or Human Anantomy. The recommended Biology elective required is Physiology of Exercise and Human Anatomy

Important Note: Observation Hours: Students must complete a minimum of 80 observation hours supervised by a licensed physical therapist in at least 3 different settings; at least 20 hours must be in an inpatient acute care or hospital setting. Please note that sub-acute, rehab, skilled nursing home or extended care facilities do not qualify as a hospital or acute care setting. See PTCAS for a copy of an Observation Hour Verification form.

NOTE: "C" is the lowest acceptable grade.
