## DEPARTMENT NEWS

A team of students from the **School of Business** was accepted as a finalist in the Institute of Management Accountants (IMA) student case competition and presented in Las Vegas, Nevada, at the IMA annual conference on June 19. As part of the Cost Accounting course, students are required to prepare a video that offers a solution to a management accounting problem selected by IMA. Out of 28 video entries, Southern's team was chosen as one of four finalist groups and received a \$3,000 reward. ## Southern Family Sets Giving Record

Southern's family came together in a most significant and visible way during 2015-2016, contributing the largest amount ever to the university during a single fiscal year – more than \$12 million. The record giving is, in part, due to excitement from the April 28 public launch of Southern's Campaign for Excellence in Faith and Learning. The campaign includes a heavy focus on scholarship and academic endowments, the new Bietz Center for Student Life (see picture from groundbreaking, left), improved residence hall rooms, and other campus and academic enhancements. The campaign is transformational for Southern.

It is amazing how God has moved hearts to invest in the lives of Southern students, faculty and staff, and our community. At the same time, we must continue to challenge ourselves to complete a campaign three times larger than anything the university has attempted previously. Though we have raised approximately \$33 million through gifts and pledges toward a visionary goal of \$50 million, we still have \$17 million to go before completing the campaign and realizing its full impact on our mission. -Carolyn Hamilton

## HATS OFF!

I would like to thank **Mark Guild** for organizing and leading the very first School of Business Study Tour to Europe. Nearly 30 students spent more than three weeks visiting businesses in London, Paris, Geneva, Berlin, and Prague. Two of our business connections have offered internship opportunities to our students. The Technology Department would like to thank Service Department's **Richard Long** for the outstanding job he has done in not only cleaning, but also polishing the floors of Ledford Hall. He embodies this Martin Luther King, Jr. quote: "If a man is called to be a streetsweeper, he should sweep streets even as Michelangelo painted, or Beethoven composed music, or Shakespeare wrote poetry. He should sweep streets so well that all the hosts of heaven and earth will pause to say, 'here lived a great streetsweeper who did his job well.'" -Mark Hyder
