¹If you have already taken precalculus algebra, MATH 191: Calculus I may be taken fall semester. Talk to your advisor regarding the math course for winter semester.

²CHEM Elective: Check with your advisor to determine which chemistry courses will be offered during your junior and senior years. Physical Chem. II and Inorganic Chem. will be offered the same winter semester, while Instr. Analysis and Adv. Org. Chem. will be offered in the alternate winter semester. If you wish to take Biochemistry as your elective, it is offered during the fall semester.
