

Mentors

These mentors have been nominated by the chair of their department or dean of their school on the basis of their teaching ability, relationships with students, academic and collegial reputation, and ability to provide advice to colleagues.

Faculty members who would like to work with a mentor, either on a short-term or long-term basis, are encouraged to contact one or two of the faculty members listed below and make the necessary arrangements. Participation in a mentorship is purely voluntary on the part of both parties.
