

# Passing the Mantle

## Leadership

Home, Local Church, Local School Board, Community, World  
Percent of persons in USA over 25 years of age holding college degree: 15.5%

## General Education + Major(s) + Minor(s)

## Service Learning → Civic Engagement

When students, in a professor-structured environment, apply theories and skills learned in class to community-oriented service.

When students, having become knowledgeable and skilled in their discipline, make personal contributions to their community on an individual basis.
