

## GROUPLINK

- 7:00pm Iles PE Center open for LifeGroup leaders
- Find the table with your LifeGroup name on it
  - Member Sign Up QR code (provided for you)
  - Bring anything you want to show to potential LifeGroup members (i.e. the book or material you'll be using as a discussion guide, any additional props).
    - Tablecloth & signage provided for you
    - No tri-fold poster boards allowed
    - Cookies and beverages provided for everyone
- 7:30pm LifeGroups vespers in the University Church
- 8:20pm The vespers speaker will make a call to action towards the tail end of his/her sermon. This is your que as a LifeGroup leader/co-leader to quietly slip out and head to the Iles PE Center before the crowd.
- 8:30pm Immediately following vespers, students will be dismissed to the Iles PE Center where worship credit will be picked up.
- Know your “elevator pitch” – if you had 60 seconds to describe your LifeGroup what would you share. This elevator pitch is helpful in being able to describe your LifeGroup as potential members come and ask you about what you'll be doing.
- 10:00pm GroupLink ends – tear down.  
Return any of the supplies that were given to you back to the LifeGroups Assistant near the Iles PE Center lobby doors. Your LifeGroup Coach or our team will be happy to answer any questions you may have as you set out to launch your group with your newly enrolled members.
