KEEP LOOKING UP

Reflection:

What is your greatest fear right now?

Pursue God's Word

Read Matthew 24:6-7.

What do you think is the most convincing sign that Jesus is coming soon?

In light of the Corona Virus, do you think we are living in the time of the apocalypse, the time of the end? Why or why not?

If you knew Jesus was coming in three months, how would you live your life differently?

From your knowledge of Bible prophecy, what has to happen before Jesus returns?
