A NEW WAY TO CONNECT

Many of you have asked for an easier way to connect as a campus, so we’re partnering with Facebook for Business to do just that. Over the next few months, we’ll be rolling out a new system that will ultimately replace the current Campus Talk forum. You’ll have access to all the favorites like Classifieds and Employee Life with an intuitive, easy-to-use interface. Be on the lookout for an invitation and more information in the coming weeks!
