

GUIDE TO

Academic **Advising** 2013-2014

Prepared by Records and Advisement

P.O. Box 370, Collegedale, TN 37315

Telephone: 423.236.2896

PREFACE

The *Guide to Academic Advising* is designed to provide faculty with a current, practical, and easy-to-read advising resource to be used in conjunction with the *Southern Adventist University* catalog and *WebAdvisor*. It includes a sample course schedule for all of the majors offered at Southern Adventist University. However, this *Guide* does not take the place of the major advisor. All students must check with their department or school and their advisor before the beginning of each semester to confirm that the classes they wish to take are indeed the best ones to meet the interests of the student and the graduation requirements.

Feb 28-Mar 9	Spring Break
Mar 18	Last Day to Drop
Mar 25-26	Senior Pre-Registration>93 hours
Mar 27-28	Junior Pre-Registration>54 hours
Mar 31-Apr 1	Sophomores Pre-Registration>23 hours
Mar 31	Senior Deadline for Correspondence/Incompletes/Home Study
Apr 2-4	Freshmen Pre-Registration<24 hours
Apr 27-Apr 30	Semester Exams
May 4	Commencement/Semester Ends
May 6	Winter Semester Grades Due by 5 p.m.

Christian Service Program

Following Jesus' example, Southern Adventist University encourages students to integrate their faith in learning. The Christian Service graduation requirement is intended to help students develop the abilities to become contributing members of churches, families, groups, and communities in a global society.

The Christian Service Program gives students the opportunity to serve in two main categories: community service and service-learning. Each service opportunity must be pre-approved and the requirement is as follows:

	Community Service Activities	Service-Learning Experiences	
Summary	<ul style="list-style-type: none"> Community Service Days Approved Campus Ministries Student Organization Service Events 	<ul style="list-style-type: none"> Service-Learning Classes Student-Initiated Mentored Projects Approved Mission Trip Experiences 	
Goal	To expose students to the community and its basic needs.	Option A: Service-Learning Courses (Level 2): To involve students in learning how academic theory and service to the community intersect.	Option B: Student-Initiated Projects (Level 3): To offer students the opportunity to use their leadership skills in developing and/or supporting a service project.
Requirements	Actively participate in three organized and pre-approved service events (3-5 hours each). Transferring sophomores need to complete two activities. Transferring juniors or seniors and associate's graduates need to complete one.	Complete two service-learning experiences. Transferring sophomores need to complete two. Transferring juniors or seniors and associate's graduates need to complete one. The minimum hours required for service-learning credit is 15 regardless of project type. Clearly identified reflection opportunities are required and will be assessed by the instructor.	Students will propose and serve a minimum of 15 hours on a service project that will span an average of one semester with staff (mentor) oversight. This could be an existing project or a new project. The student must demonstrate a clear connection between the service and academic component while proving this project meets a community need.
Meeting the Requirement	Examples of pre-approved community service activities include, but are not limited to: Freshmen Service Day, MLK Community Service Day, Global Youth Service Day, Flag Camp, and Westside 4 Jesus. For a complete list of available pre-approved projects visit: www.southern.edu/serve	Service-learning classes (including approved mission trip classes) can be found in the online course schedule by clicking the "General Education Requirement" tab and selecting "SERV2 Christian Service" from the dropdown menu. By passing the course, you receive service-learning credit.	<ol style="list-style-type: none"> 1. Submit a proposal to the Service-Learning Department to do one of these projects. There must be mentor/supervisor for the project. 2. The project cannot begin before approval. 3. During the project there will be ongoing reflection (class discussion, journaling, etc.) 4. After the project, the project mentor will evaluate the final reflection paper.

It is the student's responsibility to identify and successfully complete these requirements one semester prior to graduation.

English Placement

Southern Adventist University requires either the ACT and/or SAT national test scores from new students or transfer students. To be eligible to enroll in ENGL 101, a student must have an ACT English score of 18 or an SAT Writing score of 450. The English Department recommends completing ENGL 100 or an EESL class before retaking the ACT or SAT. However, passing ENGL 100 or an EESL class is not a substitute for a passing score on the examination.

Math Placement Test

Students with a Mathematics ACT score below 22 or SAT score below 520 must take one mathematics course selected from: MATH 111, 116, MATH 120, MATH 121 or MATH 215.

MATH 080 is required of all students whose ACT Mathematics score is 15 or below or SAT score is 360 or below. If MATH 080 is required, it must be completed with a grade of C or better before the student registers for any other mathematics course.

Basic Computer Competencies

Choose one of the following concepts courses: CPTE 100, BUAD 217, EDUC 319, CPTR 110

Select 2 hours from the following skills courses: ARTG 115, BUAD 217, CPTE 105, CPTE 106, CPTE 107, CPTE 109, CPTE 110, CPTR 110, ECED 250, EDUC 319, MUED 250, NRSG 240, TECH 248 (Note taking BUAD 217, CPTR 110, or EDUC 319 covers both concepts and skills-based computer competencies)

Southern CLEP Form

Creating my Southern Account:

1. Go to <http://southern.edu> and click on **Current Students**
2. Under the title **Account Management**, click on **Create Account**
3. Follow the instructions to create your Southern email account. You will need to know your campus ID number, birth date and social security number.

Web Registration:

1. After you create your account, return to <http://southern.edu>, log in, click on **Current Students, Academics/Register for Courses**. You will see the **Registration Tools**.
2. Follow the instructions for each step of the Registration Tools.
3. Once you register for classes, an email will go to your adviser who will approve your classes.
4. Booklists are available at <http://southern.edu>, log in, click on **Academics**, then click on **My Book List**. Print out the book list and take it to the Campus Shop to receive your books.

View Your Grades:

1. Go to <http://southern.edu> and log in.
2. Go to **My Access** and click on **Academics**
3. Under Academics click on **My Grades**

View Your Degree Audit:

1. Go to <http://southern.edu> and log in.
2. Click on **Academics/My Degree Audit**

View Course History:

1. Go to <http://southern.edu> and log in
2. Click on **Academics/My Academic Profile/Academic History**

Academic Forms:

1. Go to <http://southern.edu/records>, click on Southern Adventist University Records Office, then click on **Forms**.
2. On this page select **Undergraduate Forms**.
3. Click on the form you need, print it out, fill it out, obtain the appropriate signatures and bring the form to the Records & Advisement Office located on the first floor of Wright Hall.

Southern Adventist University Catalog, Class Schedule and Exam Schedule:

The Southern catalog, class schedule and exam schedule are also available at <http://southern.edu/records>.

Dentistry

Adviser: Keith Snyder

Most dental schools now require a bachelor's degree as a prerequisite for entering. Students may major in the field of their interest, but those weak in ACT / SAT scores should seriously consider majoring in a science area. Although a thorough background in the biological and physical sciences is essential to the study of dentistry, a broad educational background in the humanities is desirable. Upper division biology courses are recommended to prepare for the Dental Admissions Test and for the first two years of basic science courses in dental school.

Application to dental school should be made one year previous to the one for which admission is desired. Successful applicants should have a minimum GPA of 3.30 in both science and non-science courses as well as satisfactory performance on the Dental Admissions Test. Information regarding the Dental Admission Testing Program may be obtained from the American Dental Association, 211 East Chicago Avenue, Chicago, IL 60611 or on the web at www.ada.org.

The following courses must be included to meet the minimum requirements for admission to Loma Linda University School of Dentistry

**Waived if equivalent math was taken in high school with minimum grade of B.*

- BIOL 151 - General Biology (I-4a) **4 hours**
- BIOL 152 - General Biology (I-4a) **4 hours**
- CHEM 151 - General Chemistry (I-4b) **4 hours**
- CHEM 152 - General Chemistry (I-4b) **4 hours**
- CHEM 311 - Organic Chemistry **4 hours**
- CHEM 312 - Organic Chemistry **4 hours**
- CHEM 361 - Biochemistry I **4 hours**
- ENGL 101 - College Composition I (I-1a) **3 hours**
- ENGL 102 - College Composition 2 (I-1b) **3 hours**
- MATH 120 - Precalculus Algebra (I-2a) **3 hours ***
- MATH 121 - Precalculus Trigonometry (I-2a) **2 hours ***
- PHYS 211 - General Physics I (I-4d) **3 hours**
- PHYS 212 - General Physics II (I-4d) **3 hours**
- PHYS 213 - General Physics Laboratory I **1 hour**
- PHYS 214 - General Physics Laboratory II **1 hour**

Strongly recommended courses

-
- BIOL 416 - Human Anatomy **3 hours**
 - BIOL 418 - Animal Physiology **3 hours**

Medicine

Advisers: Joyce Azevedo, Loren Barnhurst, Ann Foster, Lucinda Hill, Rick Norskov, Rhonda Scott, Keith Snyder, Ben Thornton, Neville Trimm, Tim Trott

Secondary school students who look forward to a career in medicine are advised to include mathematics and science courses during their high school years.

Most applicants complete a Bachelor's Degree prior to entrance into medical school. Exceptional students may be eligible to apply after completion of a minimum of 85 semester hours. Applicants for admission to the Loma Linda University School of Medicine should maintain a grade point average of at least 3.50 in both science and non-science courses.

Applicants are also encouraged to obtain experience where they are directly involved in the providing of health care. The Biology Department collaborates with Chattanooga's Erlanger Medical Center in a premedical preceptorship program. This program provides the opportunity for upper division pre-medical students to shadow resident physicians in the hospital for up to 24-hour periods.

The applicant is required to have taken the Medical College Admission Test (MCAT) prior to consideration by the admissions committee. For entrance into medical school following graduation, the student should plan on taking the MCAT by September preceding the senior year. All of the below required science courses should be completed by this time to insure maximum performance on the MCAT exam. To register for specific dates, see the <http://aamc.org/mcat> website. Early submission of application is encouraged.

Once or twice each year representatives from LLU and other schools of medicine visit the campus to interview prospective students. Premedical students are encouraged to make appointments to speak with them.

Most medical schools are members of the American Medical College Application Service (AMCAS). Applications must be submitted through this service. The AMCAS application may be obtained from the Counseling and Testing Office, directly from AMCAS, or filled out electronically on the web. Applications are available between May 1 and November 1 for entry into medical school the following year (<http://aamc.org>). Early submission (application) is encouraged.

The following courses without an asterisk must be included in the applicant's academic program

Medical schools generally do not accept CLEP or AP credits for these basic science courses. Classes with (*) asterisks are recommended. Please check the specific requirements for individual medical schools.

**Waived if equivalent math was taken in high school with minimum grade of B.*

- BIOL 151 - General Biology (I-4a) **4 hours**
- BIOL 152 - General Biology (I-4a) **4 hours**
- CHEM 151 - General Chemistry (I-4b) **4 hours**
- CHEM 152 - General Chemistry (I-4b) **4 hours**
- CHEM 311 - Organic Chemistry **4 hours**

			TOTAL HOURS PRE-MED LAB		
			94		

FOURTH YEAR

The clinical program through Andrews University covers one calendar year.

TOTAL HOURS – (Minimum required to graduate) 124

Note: **Twenty hours** of upper division credit, including **two writing (W)** courses, are required. One (W) course must be in a cognate area and one in a non-cognate area.

*It is not advisable for a student scoring below an ACT Composite of 26 to take General Biology and General Chemistry concurrently.

*Can be waived if taken in high school with a minimum grade of B. The student must take an elective class to replace the math class.

**Recommended electives: PHYS 211-214, CHEM 315, 321, 361; MGNT 334.

*** Recommended BIOL 315 or 424

****Refer to general education requirements for acceptable options.

A.S. Allied Health Pre-Dental Hygiene

2013-14 Sample Course Schedule – *This is a recommended schedule and may be altered as needed. Consult your adviser when making changes. See degree audit for Christian Service requirements.*

♦♦♦May be substituted by NRNT 125, Nutrition

*Refer to general education requirements for acceptable options.

**Medical Terminology- not offered at Southern (See Allied Health adviser for options)

*** To fulfill the total 92 semester hours required, electives should be chosen from service-related courses, business, cultural and diversity courses, arts and humanities, physical activities and nutrition. At least 15 overall upper division credits are required from 3 or more content areas. The number of LD/UD electives will vary depending on what options are chosen for required course work.

****May be substituted by any non-botany Biology/Zoology course more advanced than General Biology.

Important Note: A minimum of 80 hours work/observation experience (volunteer or as an employee) in a physical therapy department is required. Observation to include at least two distinctly different patient care settings. Twenty hours minimum must be spent in an inpatient setting. NOTE: C is the lowest acceptable grade for all transferrable prerequisites.

					15-16
			TOTAL HOURS		
			92		

* See online catalog for other I-2B and I-2C options or take challenge or competency exam

**May be substituted by NRNT 125.

***RELB courses: See general education requirements for exceptions.

**** Must be from 2 sub-areas in I-3-c, S-3-a, **or** S-3-b

*If applying to AU and LLU, the minimum Biology elective requirements include: Physiology of Exercise plus General Biology or any non-botany Biology/Zoology course more advanced than GB. To fulfill the LD and UD Biology electives, it is recommended that a student take Physiology of Exercise and Human Anatomy.

**Electives needed to make a minimum of 92 overall credit hours. LLU requires 12 UD credits. AU requires 15 UD credits. The number of LD/UD electives will vary depending on what options are chosen for required course work.

***Medical Terminology- not offered at Southern (see Allied Health adviser for options)

Important Note: A minimum of 80 hours work/observation experience (volunteer or as an employee) in a physical therapy department is required. Twenty hours minimum must be spent specifically in an inpatient setting & an outpatient setting.

Note: C is the lowest acceptable grade for all transferrable prerequisites.

*Can take NRNT 125 as substitution.

Must be from 2 sub-areas in I-3-c, S-3-a, **or S-3-b

*** If applying to LLU, a Chemistry course can be substituted for Exploring Physics.

♦See SAU general education requirements for math. If a math is necessary for SAU general education, Loma Linda recommends College Algebra. Note: LLU requires two years of high school math including Algebra I and II or a minimum of Intermediate Algebra in college without credit or College Algebra or higher for credit. Statistics does not meet LLU's math requirement

Andrews requires Statistics.

♦♦Except RELB 125.

NOTE: C is the lowest acceptable grade for LLU. AU accepts lower grades provided the cumulative GPA remains above a 3.0.

*If you have already taken precalculus algebra, Math 191 (Calculus I) may be taken fall semester. Talk to your advisor regarding the math course for winter semester.

**CHEM Elective: Check with your adviser to determine which chemistry courses will be offered during your junior and senior years. Physical Chemistry II and Inorganic Chemistry will be offered the same winter semester, while Instrument Analysis and Adv. Organic Chemistry will be offered in the alternate winter semester. If you wish to take Biochemistry as your elective, it is offered during the fall semester.

***PHYS 221-224 may be substituted.

B.A. Chemistry, Teacher Certification Leading to Licensure 7-12

2013-14 Sample Course Schedule- *This is a recommended schedule and may be altered as needed.
Consult your adviser when making changes. See degree audit for Christian Service requirements.*

Eligible for SDA General Science endorsement with which they can teach all sciences for secondary.

135-138

*EDUC 220 Growth Years may be substituted.

**ERSC 105 Earth Science may be substituted; PHYS 155 will count towards a physics minor, while ERSC 105 will not.

***MATH 192 Calculus II may be substituted. This is a 4 credit course.

****May need 6 hrs. elementary foreign language if not 2 yrs in high school.

^PHYS 211-214 would **not** be offered at SAU during this summer session.

B.S. Chemistry

2013-14 Sample Course Schedule- *This is a recommended schedule and may be altered as needed. Consult your adviser when making changes. See degree audit for Christian Service requirements.*

FALL			WINTER		
FIRST YEAR					
CHEM 151	General Chemistry	4	CHEM 152	General Chemistry	4
MATH 191	Calculus I	4	MATH 192	Calculus II	4
ENGL 101	College Composition I	3	ENGL 102	College Composition II	3

TOTAL HOURS

128-131

*EDUC 220 Growth Years may be substituted.

**Passing language placement test exempts students from taking Elementary language.

***May be waived by ACT Math score of 22 or above.

Note: Students must consult the catalog they are under and their degree audits to ensure that they have completed degree requirements. To increase their marketability, it is recommended that students take a minor in an additional teaching area. For some students, this requires taking summer course work or an extra semester.

B.A. Broadcast Journalism

TOTAL HOURS

124-127

*Course will depend on student's placement exam score.

****Academic Year Abroad in France:** Study abroad consists of approximately 48 quarter hours (approximately 30 semester hours) which should include at least 5 quarter hours (3 semester hours) of **religion** in addition to at least 10 quarter hours (6 semester hours) of upper division courses. Students should take a culture and civilization course sequence equivalent to 3 semester hours. If not taken previously, students must take the equivalent of FREN 207 and 208 while abroad. Students are encouraged to take some courses that fulfill the general education requirements. See ACA catalog or visit aca-noborders.org. **Students should consult with their modern languages advisor prior to their academic year abroad.** Include at least 3 quarter hours as upper division.

***Must take FREN 357, 358, 458, and 459 when the courses are offered.

^May select from ARTH 342, HIST 375, 471, **or** 472.

B.A. French, Teacher Certification Leading to Licensure P-12

RELT 255 Christian Beliefs 3
PSYC 128/ Developmental Psychology **or** 3
EDUC 220 Growth Years (S-2) 3
PEAC 425 Fit for Hire 1
ART Studio Art Electives 3
Natural Science (I-4) 3
16

ART 480 Professional Practices 2
EDUC 464 Teaching Seminar 2
EDUC 473 Enhanced Student Teaching K-12 10
14

TOTAL HOURS 130-133

* If foreign language has not been taken in high school, it must be taken in a two-semester sequence. (Total of 6 hours required). If language has been taken in high school, a total of 6 hours in Civilization & Global Perspectives is required.

^ May be waived with ACT Math score of 22 or higher

^^ Except RELB 125, 255, 340, 455, or 497

*Join ACEI (Professional education org. and/or art org.) after completion of Intro to Ed. If ACT composite score is lower than 22, take and pass all sections of Praxis I. Apply for Teacher Education Program acceptance during sophomore year. Maintain a min. GPA of 2.75 to enter Teacher Education.

**Introduction to Education should be taken Freshman year.

***ART 499 is a presentation of portfolio and teaching experience made after student teaching is complete. The class will be incorporated into Education's review format.

A minor in another teaching specialty is highly recommended. With a minor, include EDUC 342 two hours, Curriculum Content Methods

B.F.A. Fine Arts

2013-14 Sample Course Schedule- *This is a recommended schedule and may be altered as needed. Consult your adviser when making changes. See degree audit for Christian Service requirements.*
