Policies and Procedures in this handbook are subject to change. Changes occur only after consultation with administration. Any changes will be announced in the respective newsletters of each residence hall and by posting on bulletin boards.

RESIDENCE ROOMS

Changes

After the first two weeks of the semester, you may request to change rooms by contacting the housing dean for your building. Moves will not be granted for reasons of race, religion, or national origin. Changes made without this approval may result in additional charges.

The following steps **must** be followed when making a room change:

1. Talk to your roommate first. This courtesy will help the process to go smoothly.
2. Contact your respective housing office with your request.
3. See procedures below for check-in and check-out instructions.

Moves must be completed in 24 hours (not including Sabbath).

Check-in Procedure

Before you move into your reserved residence hall room, you must first go to the Thatcher or Talge Office. The appropriate office staff will approve you to move into your assigned room and give you key card access. You may not move any items into your reserved room until you have been approved to move in by the appropriate office staff. Failure to list any room damages may result in charges for those damages when you move out (see page 36).

Check-out Procedures

1. Clean your room. (A list of cleaning expectations is available in the office.)
2. Contact a dean, student dean/RA, or the office manager to inspect your room for cleanliness and damages.
3. The person checking you out will verify your contact information and enter this information on the mobile check out. (We cannot forward magazines, so you should also send a change-of-address form to each subscription.)
4. You and the person checking you out will review the inspection check out list and sign the mobile inspection form. Any damages will be noted on the inspection list and charges may occur. (see page 36)

Improper Check-out

Failure to follow any of the check-out procedures may result in charges for any or all of the following problems: failure to fill out a forwarding address card, cleaning, packing, etc. (see page 36).

Cleanliness

Rooms are to be kept clean and orderly. Bathroom mold is a particular problem, making frequent cleaning necessary. Suite mates must work together to make sure the bathroom is cleaned weekly. The residence hall bathrooms are checked every two weeks by the RAs. Residents will be fined for unclean bathrooms and unclean rooms (see page 36). A conference with a dean will be necessary if the problem persists.

Deposit

All residents are required to have a \$250 Commitment Deposit in place by May 1 in order to assure a reservation in the residence halls. This deposit remains with the university as long as you are a resident. The deposit is applied to your account when you graduate or leave university housing, provided there is no room damage that goes beyond normal wear and tear. **If you reserve a room and your plans change, and you do not notify us by June 1, you will forfeit this deposit.**

Dimensions

Thatcher Hall and Thatcher South dimensions are as follows:

Rooms: 16' 10" x 12' 4"

Talge Hall dimension are as follows:

Your ID card is your room key. Your ID card is issued at the Campus Card Desk located on the 2nd floor of Wright Hall. When you check in to the residence hall, you will need to have your ID card with you so that it can be programmed for your room. If you lose or misplace your ID card, please visit the Campus Card Desk. If the Campus Card Desk is closed, you will be given a temporary card until you are able to get a new ID card. Residents have two days to get a new ID card. If you are locked in your room, please call the front desk and ask for the dean on duty.

Room Rates

Double Occupancy

Rooms in all residence halls are double occupancy. A resident rents only one half of the room; therefore, unoccupied spaces may be filled at any time. It is imperative, then, that you occupy only one side of the room.

Thatcher/Thatcher South Hall rate: \$2,425/semester

Talge Hall rate: \$2,425/semester (suite room);

\$2,385/semester (non-suite room)

Southern Village: \$2,630

Single Occupancy (Can request if space is available)

If there is space, after the school year begins and once everyone is placed, preference will be given to those with the most credit hours. A written request (email is accepted) must be submitted to the Housing Office (see page 4 for contact information). Once the request is received the following must happen before consideration:

1. Parental consent in writing to appropriate Housing Office (email is accepted)
2. Approval and clearance from Student Finance

Rent for single occupancy is 1.5 times the regular room rent.

Room Reservations

The Housing office will open Virtual Room Reservations in April. Before this occurs student will be notified about steps that need to happen prior to being able to reserve a room. It is especially important to check all emails from the Housing office. Being able to reserve a room is contingent upon your being pre-registered and your account being current. The residence halls are designed for currently enrolled undergraduate students under 24 years of age and taking at least six credit hours. Those taking less hours will be considered if space is available.

Special Accommodations

Students with disabilities who require personal attendants or who require special residential accommodations must have their requests and plans approved by Disability Support Services, phone 423.236.2574 (see page 34) before they can be considered for student housing.

EMERGENCY SAFETY PROCEDURES

Fire Drill

The residence halls are required to hold periodic fire drills. When the residence hall alarm sounds, the law requires that the residence halls be evacuated as promptly as possible. You should follow the fire escape route posted on the back of your room door. Please remain at your floor's designated fire assembly point outside the Residence Hall until official permission has been given to re-enter the building. If the alarm occurs after night check, please check in with your RA or fire assistant at the location listed on the back of your door. Failure to evacuate the residence hall during a fire alarm will result in a cash fine (see page 36).

Campus-wide Emergency

In the event of a tornado or other campus-wide emergency, you will hear the campus siren sound. Do not go outside. Instead, make your way to the designated tornado shelters (see back of room door for location information). **To sign up for the campus wide emergency alert system go to: southern.edu/notify. Please note, you must sign up every 2 years to remain active on the campus wide emergency alert system.**

Fire Exits

Fire exits are to be used only during fire alarms or other emergency warnings. Use of these exits during any other time without permission will result in a cash fine (see page 36).

Fire Hazards —See partial list of fire hazards on page 12.

No appliances (gas, electrical, battery powered, etc.) that heat are allowed, other than microwaves. **There will be a fine for the possession of items other than those that are approved or cause of any of these hazards (see page 36).**

Fire Door Closers

Because of the fire code, all rooms are equipped with automatic door closers. The purpose of these is to keep your door closed during a fire, thus preventing it from spreading. Your tampering with these door closures is a serious offense. Abuse of the equipment will result in fines and/or suspension (see page 36).

Fire Extinguishers

The misuse of fire extinguishers, fire alarms, smoke detectors, or other protection equipment is expressly prohibited. Because the abuse of this policy can cause serious fire hazards in a residence hall setting, stiff penalties, including cash fines and/or suspension, will be levied against anyone who violates it (see page 36). In addition, the involved persons will be held responsible for any damages caused by the fire or smoke.

WORSHIP/CONVOCATION/VESPERS

The Bible makes clear that spiritual growth is dependent on both personal and corporate worship. While all students are encouraged to cultivate a personal devotional life, Southern's Worship and Convocation program provides the campus the opportunity to come together for spiritual fellowship. Residence hall evening worships (Sunday-Wednesday), Morning Meditations (Monday-Thursday), Vespers (Friday evening, Evensong (Saturday evenings) and LifeGroups (times vary) are the regularly scheduled spiritual programs during the week. In addition, Southern accentuates its liberal-arts program with Thursday Convocations and allows students to receive Convocation credit for various academic and student organization meetings. Although a large number of Convocations have spiritual content, several of them instead celebrate and honor academic achievements, presenting programs that enrich the classroom experience. Evensong is a one-credit worship option for students. It often meets in the Collegedale SDA Church sanctuary, though the venue can change.

the Sabbath to celebrate in Christian praise the end of one week and the beginning of another. Because Southern's Worship and Convocation program is co-curricular, all students, both residential and commuter, are required to attend a set number of services during a semester. This number is determined by class standing as follows:

Requirements for residential students (credits per semester):

Freshman: 60 (Cultural= 15, Enrichment= 45)

Sophomore: 55 (Cultural= 14, Enrichment= 41)

Junior: 50 (Cultural= 13, Enrichment= 37)

Senior = 45 (Cultural= 11, Enrichment= 34)

Graduating senior: 20 (Cultural= 5, Enrichment= 15)

No reductions outside of those given for class standing and exempted students

Requirements for commuter students (credits per semester):

Freshman: 40 (Cultural= 10, Enrichment= 30)

Sophomore: 36 (Cultural= 9, Enrichment= 27)

Junior: 32 (Cultural= 8, Enrichment= 24)

Senior = 30 (Cultural= 8, Enrichment= 22)

Graduating senior = 20 (Cultural= 5, Enrichment= 15)

No reductions outside of those given for class standing and exempted students

For Dress Code Refer to the Student Handbook

Requirements for part-time students:

Part-time students (defined for this policy as any student taking 6-11 hours) who reside on campus follow the residence hall requirement for their class standing. Part-time commuter students are to maintain worship attendance at the same level as full-time commuter students.

Exempted Students

Married students and students with children, veterans, students 23 or older, students who have already earned 124 hours, those student teaching, online and Consortium students.

Students may earn worship/Convocation credits in the following increments:

1 Credit:

Evening Worships; Morning Meditations; Student Organization, Departmental, School, and Class-sponsored convocations; Evensong

2 Credits:

Life Groups, Vespers, Week of Prayer (Fall Student Week of Prayer and Residence Hall Week of Prayer), Thursday Convocations, Performing Arts Programs

RESIDENCE HALL SERVICES AND FACILITIES

ATM

ATMs are located in the lobby of Talge Hall and Thatcher Hall.

Bicycle Storage

For safer storage, both residence halls offer a bicycle storage room. Because of space limitations, we can allow only one bicycle per resident in the bicycle storage rooms. In order to use these rooms, a bicycle must be registered with the office managers in Talge and Thatcher. You will be given a registration sticker to affix to the bicycle. Thatcher and Talge residents will have their ID cards programmed for door access to the bike room. Padlocks, if desired, are to be supplied by owner. Neither residence hall assumes any responsibility for items in the bicycle rooms. Bicycles left in storage after their owners have left school will be sent to Campus Safety unless prior arrangements have been made.

Illegally parked bikes, such as those chained to handicap rails, loading dock rails, etc., will be confiscated by Campus Safety and kept in a secure place. Owners may come during business hours (with correct identifying information) to claim their bicycles at Campus Safety.

Faxes

Talge, Thatcher, and Thatcher South also have fax service during office hours. Check with your residence hall office for information regarding charges for sending and receiving faxes as well as copying and printing.

Camping

To leave campus for weekend camping trips, you must submit a request through the regular weekend leave process.

The following information must be verified: specific identification of camping site, **approved adult sponsor (age 23+) to accompany mixed gender groups**, and separate sleeping arrangements for each gender. Leaves for mixed gender camping groups **MUST** submit their leave by deadline in for the deans to have enough time to approve the sponsor. Campus-sponsored organizations are expected to follow these same guidelines. **Camping alone is prohibited.**

Ceiling Tiles

Ceiling Tiles must remain in place and there is not to be anything stored above them. If you notice a damaged or missing ceiling tile in your room fill-out a maintenance request immediately to avoid any room damage fines (see page 36)

Cleats

Before entering the residence halls after engaging in softball, flag ball, soccer, or caving, please take off cleats.

CCTV

Southern is committed to enhancing the safety and quality of life on the campus. A critical component of a comprehensive security plan is the use of Closed-Circuit Television (CCTV). Information obtained through video monitoring will be used exclusively for security and law enforcement purposes and will be conducted in a manner consistent with university policies. Video monitoring of public areas for security purposes at the university is limited to uses that do not violate the reasonable expectation to privacy as defined by law. There is a reasonable expectation of privacy in showers, rest rooms, and individual resident rooms.

Confiscation Policy

Stereos and speakers that are confiscated because of a noise violation (see Sound Equipment, page 27) will be held for a month before being returned. **Cash fines also apply (see page 36).** Other items (such as but not limited to televisions over 43", posters, firearms, swords, and role-playing games) will not be returned until the resident can take the item home. Weapons may be turned over to Campus Safety.

The university, residence hall deans, and RAs are not responsible for any confiscated items in storage. **It is recommended that you purchase personal property insurance for your personal items.**

Decorations

When decorating your room, please keep paper decorations to a minimum. During the Christmas season, live trees are not allowed in the building. No lighted candles are allowed. No door decorations are allowed.

Discipline

Residence hall discipline will be administered as outlined in the residence hall and student handbooks. Students are responsible for choices they make, and part of the residence halls' commitment to running a fine program is to hold the student accountable. The deans challenge each resident to base his or her behavior on Christian standards. This commitment will, in the end, bring the greatest degree of happiness.

Distribution of Information

Anyone wishing to distribute or provide information via pamphlets, newsletters, newspapers, voice, or any other form of communication, must first receive permission from the Vice President of Student Development. To post information in the residence halls you will also need permission from the residence halls.

Door Locks

Door locks are not to be taped or tampered with in any way. **There is a cash fine for this type of activity. If the lock is damaged and needs to be replaced, there will be a charge for the replacement cost (see page 36).**

Dress Code

Please consult the **Student Handbook** for campus policies on dress.

Electricity

To conserve energy, lights and appliances should be turned off when not in use. When you go on vacation or away for the weekend, please turn off lights and all electrical items (except your refrigerator). (See page 19 regarding air conditioning and heater policies.)

Engines and Motorized Vehicles

Because of the potential fire hazard, engines of any type (auto, motorcycle, chain saw, etc.) are not allowed in the residence halls, Southern Village, storage closets or rooms for any reason. **All motorized vehicle parts, including tires, are banned from the residence halls and Southern Village.** Cash fines (see page 36), as well as payment for any possible damages, may result.

Eviction Policy

When students cease to be registered for classes, they must vacate campus housing. The student will be notified by a dean in writing that they will have 48 hours to vacate. This policy also applies during summer terms if a student does not retain his or her accepted status. If the student does not vacate housing within the allotted time, his or her personal belongings will be placed in storage, and the student will forfeit all refundable housing deposits and fees. Any exceptions must be arranged through the deans, Student Development, and Student Finance.

Fines

If a resident is fined near the end of a semester, and the fine remains unpaid by due date, it will be charged against the resident's student account with a processing fee applied.

Firearms and Weapons

All guns, for example but not limited to, rifles, sling shots, starting pistols, and paint guns are strictly prohibited in the residence halls or in a resident's car. This is a felony anywhere on campus. Possession of weapons, for example but not limited to, martial arts weapons, crossbows, knives with a blade longer than 4", switch blades and stiletto knives is also prohibited. See Student Handbook for university campus policy on Firearms and Weapons

Furniture

Furniture must not be moved from any residence hall lobby or kitchen/lounge area. There is a cash fine for an infraction of this policy (see page 36).

Hair Cutting

Hair cuts should be given in designated and approved places in the residence halls. Drop cloths should be used beneath the chair to minimize mess and clean-up.

Hazing/Bullying

Hazing is against the state law. A resident who engages in, conspires to engage in, or commits any act that injures, degrades, bullies, or disgraces, or tends to injure, degrade, or disgrace a fellow student (this includes online as well) will be subject to serious discipline, including dismissal. Two irregular activities worth mentioning are water fights and the use of any pistol that shoots water, rubber, plastic, or dye bullets (or any other kind of bullet). These activities will result in confiscation of the items in use and possible fines to cover any damage that has been done to the facility. Confiscated items will be turned over to the Campus Safety Department. Criminal prosecution may occur.

Hover Boards

The university prohibits the use, possession, and storage of hover boards inside any Southern building. The ban will be reassessed when the Consumer Product Safety

Commission releases a comprehensive statement of their findings regarding the safety of hover board use. Hover boards are deemed a fire hazard, if they are found in your dorm room they will be confiscated and disposed of plus a fine will be incurred (see page 36).

Illness

A resident with an illness or injury that requires constant monitoring, may not remain in the residence hall until he or she is out of physical danger and is cleared by a physician. Health services or the physician will advise in such cases. All other illness, such as the flu, should be reported to a dean.

Insubordination

Failure to follow through with what has been requested of you by a dean, whether this request be made in writing or by voice, will be considered insubordination and may result in Citizenship Probation or further discipline.

Internet Usage

Your use of the Internet should be consistent with the Christian values that Southern maintains. **The university reserves the right to check the contents of computer files on the campus and in individual rooms for illegal activities and pornographic materials. You accept this authorization when you rent a room.** Accessing pornography, hate sites, and other non-Christian material will be justification for turning off individual Internet service. If you violate the law, criminal prosecution may result. **Because wireless service is now available in the residence halls, individual wireless routers are not allowed.**

Jewelry

Southern's dress policy requires students to refrain from wearing jewelry. This includes all forms of rings, bracelets, necklaces, chains, medallions, earrings, and pierced body jewelry. **An exception is made for medic alert chains/bracelets.** Students not compliant with this policy may be fined and subject to further discipline.

Laptop Computers in Lobbies

If using a laptop in the lobbies you are required to use headphones if you are viewing/ listening to anything with sound. Please refrain from watching secular movies in the lobby during Sabbath hours.

Lobbies

The main lobbies of each residence hall are open for mixed visiting from 8 a.m. to 11 p.m. Sunday to Friday and until 12:45 a.m. on Saturday. Members of the opposite gender are not allowed in any part of a residence hall. **Permission must be obtained from a dean before allowing a person of the opposite gender to help a resident move in.** Violators of this

policy will be subject to suspension (see **PDA** page 25).

Lofts

No lofts may be built, nor may furniture be disassembled. Beds are not to be raised except to bunk the beds.

Mental or Emotional Health

If for any reason you are discouraged or depressed, talking with a dean or counselor will make it easier for you to deal with your discouragement. The Counseling and Testing Center has professional counseling available for those who are experiencing suicidal feelings and desire help in coping with them. Any student who attempts suicide, displays behavior that could lead to such an act, or demonstrates a tendency toward self-harm, may be placed on an open-ended medical leave of absence. Continuation as a student will occur only after the student has presented documentation of an approved therapy program.

Overnight Guests

If you would like to host an overnight guest, please fill out a visitor registration form for your guest. These are available at the front desk. Special arrangements must be made with a dean if your guest needs to extend his or her visit. Weekday visitors will be charged a \$10 a night fee. Please see an Office Manager or Dean to pay this when your visitor arrives. **Overnight guests must be age 16 or older. Overnight guests must obtain a temporary parking permit from Campus Safety. Call ext. 2100.**

Painting

Use of spray paint or other kind of paint or adhesive is not permitted in the residence hall. A cash fine plus clean-up charges applies to infractions of this policy (see page 38).

Parking lots

See the map to determine which parking lots are valid for your category. Go to Campus Safety web site (campussafety.southern.edu) to view the parking map. Parking lots on campus are color-coded: green for Talge residents, purple for Thatcher residents, red for Southern Village residents, blue for commuter students, and gold for faculty/staff. **Check with Campus Safety to get the current parking restrictions for your residence hall.** If you need to park a vehicle that has not yet been registered, park in the lots that you would normally be allowed to park in. At no time should a resident park in front of the dumpster or garbage pit; towing may result. Residents may not park boats, jet skis, or trailers in any parking lot on campus. At times there will be campus activities that will temporarily require you to park in a different area.

Auto repairs of any kind (including **oil change**) may not be done in any parking lot because of the damage these repairs can do to the ground/pavement. Trash cans are

available in the parking lots. Please dispose of your trash in these receptacles.

Pets

With the exception of fish, no pets or animals of any sort are allowed in the residence hall unless approved through Disability Support Services as an ESA. The total fish tank capacity for each room is not to exceed 55 gallons, regardless of the number of tanks you have. Any overnight guests who visit residents must also leave pets at home. A cash fine is charged for violation of this policy, and fish tanks will be removed (see page 36).

Pornography

Magazines, computers, and posters that contain pornography are inappropriate material for the residence halls. These items will be confiscated and not returned. Repeat offenders of this policy will be subject to discipline.

Posters

Posters or pictures of nude or partially clothed bodies are inappropriate room decor. Likewise, all decorations that promote a lifestyle contrary to Seventh-day Adventist beliefs are inappropriate. Inappropriate subjects include alcoholic beverages, R-rated movie material, and certain musical groups. Confiscated items will not be returned.

Public Display of Affection (PDA)

All residents and visitors are asked to conduct themselves in a way that will allow everyone present to be comfortable. Physical intimacy between two people is a private matter. **Couples should refrain from PDA (including massaging and sitting or lying on each other) while in the residence hall lobbies or anywhere else on campus.**

Residence Hall Discipline

Residence Hall Restriction (RHR) is imposed by the resident hall deans for policy violations. Possible restrictions may include some or all of the following:

1. No late leaves
2. No weekend leaves (overnight leaves)
3. No late entries

Citizenship Probation (CP) places the student on notice that his/her registration may be interrupted or cancelled. It also carries some or all the following restrictions:

1. One approved weekend leave per month to go home if restriction is more than 4 weeks
2. No late leaves
3. Loss of late curfew privileges
4. Potential loss of all student leadership positions, including Student

- Association and religious activities.
5. Potential of no longer being able to participate in public appearances for on and off campus activities that represent the university, except class related events.
 6. Other restrictions deemed appropriate

NOTE: Anyone who is already on CP and receives any majors/minors will:

1. Meet with the Dean of Student and Director of Residence Life
2. Possibly put on “registration hold”
3. Receive \$100 fine (reduced to \$75 if paid in cash within 2 weeks)

Right of Entry

The university reserves the right for a residence hall dean, a dean’s representative, or a college security officer to enter and inspect a student’s room whenever necessary. **You accept this authorization when you rent a room.**

Roommate Bill of Rights

Rooming with another person isn’t always easy. We offer the following “Roommate Bill of Rights” for you to consider. Your enjoyment of life in a residence hall will depend to a large extent on the thoughtful consideration that you demonstrate to each other. Only you can protect these rights. (See next page for details.)

1. The right to read and study free from undue interference in one’s room.
Unreasonable noise and other distractions inhibit the exercise of this right.
2. The right to sleep without undue disturbance from noise, guests of roommate, etc.
3. The right to expect that the roommate will respect one’s personal belongings.
4. The right to a clean environment in which to live.
5. The right to free access to one’s room and facilities without pressure from roommate.
6. The right to personal privacy.
7. The right to host guests with the expectation that guests are to respect the rights of the host’s roommate and other hall residents.
8. The right to settle conflicts. Residence hall RAs and deans are available for assistance in settling conflicts.
9. The right to be free from fear of intimidation and physical and/or emotional harm.
10. The right to expect reasonable cooperation in the use of the telephone etiquette.

Selling and Soliciting

Sales parties, such as for plastic ware, cosmetics, and pots and pans; using one’s room for a business; and soliciting funds for an unapproved activity is prohibited in the residence halls. Exceptions are made through a dean.

Southern Guest Events

During ViewSouthern, music festivals, Acrofest, and other major events, you will be asked to accept guests in your room. You will have an opportunity to sign up for a guest in advance. Residents will be notified if a guest is assigned to his or her room. Please be sure your room is clean.

Southern Village

Southern Village is meant for older undergraduate students. The number of credits needed to be eligible for Southern Village may change each year depending on availability of residential housing. Students who wish to be eligible for Southern Village must have good citizenship and worship attendance when living in the residential halls. All students who wish to live in Southern Village must have resided in the Southern residents halls for at least one full semester. Two weeks after school begins, when registration closes and for the rest of the school year students must have junior status (55 credit hours or more) to move into Southern Village.

Sound Equipment/Noise Policy

Radios and stereos, musical instruments, keyboards, and amplifiers are permitted in your room on a privilege basis. It is your responsibility to see that the volume does not disturb others. **The equipment should not be heard outside the room. Headphones are required for those who wish to enjoy their music above that level. Headphones should be used on all equipment from 7:30 p.m. until 6 a.m.** Residents who are not able to control their equipment as outlined here will lose this privilege. Although a warning will be given, no warning is necessary. If music or computer games are heard outside a room, speakers will be confiscated (see page 20).

Stealing

You should take precautions to protect your personal belongings. Put your name on your personal property, keep serial numbers in a separate location, and check to see if your parents' homeowner's insurance covers your belongings while at school. Consider purchasing a policy of your own. You can get a "Personal Property Items Registration Form" from either Campus Safety or the residence hall Office Manager. Individuals who take any items they do not own without permission will be disciplined immediately and will be subject to suspension. **Possession of lobby or kitchen furniture, vacuums, tools, or any other residence hall property without permission will be treated as theft and brings fines of a minimum \$100** (see page 36). Also, anyone in possession of an unauthorized master card key will be subject to serious discipline or dismissal.

Summer Residents

Residence halls are available to students in the summer for a reduced rate of \$275/month. Students who wish to reside in the residence halls during the summer must be taking a summer class, have already been accepted for the following academic year, have a full-time job

or a combination of work and classes. In order to conserve energy and to facilitate repair work, residents will be moved to one or two halls of the residence halls, and the rest of the building will be closed down.

TV's

Students are allowed to have televisions up to 43" in their rooms.

Vandalism

Any damage done to any campus property will result in restitution, fines, and possibly criminal prosecution.

Vaping/Vaping Paraphernalia

Vaping and vaping paraphernalia (including the liquid regardless of nicotine content) is considered a fire hazard and not allowed in the residence halls. Use and/or possession of such items will incur a fine (see page 36) and possible discipline.

Vehicle Registration

Please register your vehicle within three days of arrival to avoid paying tickets for unauthorized parking or failure to register. To register your vehicle go to the web site for Campus Safety: southern.edu/campussafety. Then click on the Vehicle Registration option and follow the directions.

Windows

All first floor windows are regulated so that they cannot be fully opened. Screens on *all* windows are to be left on at all times. Tampering with the window such as removing the stop bar or screen, will result in a cash fine per person (see page 36).

Exiting and entering rooms through windows may result in CP and/or suspension and a cash fine. Residents may be moved to a higher floor if the exit or entry occurs after night check. Zipties broken on first floor windows will result in a fine (see page 36).

Please refrain from covering your window with, but not limited to, the following items, flags, posters, signs, decals, etc. The only window covering should be the blinds that the residence halls provide. Covering your window can result in a cash fine (see pg. 36). Our goal is to keep the residence halls looking uniform and neat.

Wireless Access Points

Rooms are equipped with wireless access points (located on the ceiling). Please **do not** touch them for any reason. Nothing is to be plugged into them. Be aware if these points tampered with it can result in a cash fine and repair fee.

NIGHT CHECK

The residence halls close at 11 p.m., Sunday through Friday and at 12:45 a.m. on Saturday. After those hours, they are closed until 6:00 a.m. All outside doors are locked during closed hours. Night check is conducted at closing time (curfew) each evening. You are required to register your presence in the residence hall. You may meet this requirement by checking in at the night check table in the main lobby or by contacting one of the RAs who is conducting a room-by-room check on the halls at closing time.

Once in the residence hall, you must receive a dean's permission if you need to leave before 6 a.m. This permission must be obtained before the dean leaves for the night. Sign-outs are to be the exception, not the rule. You should take care of outside and off-campus business before closing time. Please park your car before getting yourself on check.

If you can't be in the residence hall by closing time due to work, you must submit a petition form to the dean in charge of night check (see Petitions, page 30-31). **Only with an approved petition are you exempt from night check violations because of work.**

Late Leaves

One late leave (up until 2:00 a.m.) may be requested per week. Under normal circumstances, late leaves give the resident **60 additional minutes** beyond curfew to be out of the residence hall. Request forms are available at the front desk and must be approved in person by a dean; they may not be left at the front desk for a dean. Late leaves may be requested for the following reasons: emergencies, special occasions, or out-of-town travel. Late leaves may be requested for any night of the week **except Friday and Saturday nights** (Out-of-town travel and emergencies are exceptions). Late leaves cannot be obtained during the Sabbath hours. Call-ins will not be accepted by a desk worker. Should you have an emergency that keeps you from returning to the residence hall by curfew, you should call and speak to the dean on duty.

Major Violations

Coming in more than an hour late is considered a major violation of the night check policy. A resident must meet with a dean in this situation. Major violations often result in residence hall restrictions. Other major violations are being unaccounted at night check and signing out of the residence hall without permission. Major violations will result in you being placed on Residence Hall Restriction for one month and could result in a cash fine. **If you receive any additional major violations during the same semester you will be placed on Citizenship Probation for one month. (see page 25).**

Minor Violations

Coming in after the grace period has expired but within an hour of the curfew is considered a minor violation of the night check policy. All residents are allowed five minor violations of the policy without consequence. A sixth violation is considered a major violation, which will result in RHR and/or a fine.

Petitions, Night Check

If a work conflict prevents you from being in your residence hall by the end of your grace period, you must fill out a night-check petition.

During the week, you will need to schedule your work to allow you to be back to your residence hall by 1 a.m. (2 a.m. on Saturday night). Check with one of your deans to see what forms you need to fill out in your residence hall. Petitions should be submitted no later than **two weeks** after the academic year begins or after new job commences. After two weeks, late arrival may not be excused if no petition has been submitted. If you are a nurse who works a night shift, check with your deans to see what the requirements are for your residence hall.

Grace Period

Because of the discrepancies between individual watches and residence hall clocks, a grace period of either 15 minutes or 1 hour is given every evening.

Minor Students

Students under the age of 18 are subject to specific regulations appropriate to their age and relationship to the university. Specific regulations:

1. Curfew: Sunday–Friday 11 p.m.
Saturday 12 a.m.
No variations
2. Late Leaves: One hour maximum for specific reasons approved by dean on duty.
3. Overnight Leaves: Must receive approval of parents in writing, an email is acceptable, with specified destination and people involved.
4. Automobiles: Motor vehicles may be brought to campus but are limited to the personal use of the minor only. They may not be lent to other students or used to transport other students, staff, or faculty.

Overnight leaves

Anytime you leave campus overnight (even on a school sponsored trip), an overnight leave is required. All overnight leaves are filled out and submitted online 'residencelife.southern.edu'. Leaves must be approved before leaving the campus. It is the residence responsibility to ensure that their leave has been approved or denied by going to 'residencelife.southern.edu'. Parental approval may be required for any leave. If your plans change and and you will return on a different date that your leave states you need to contact the dean on duty or student dean. You must return to the residence hall within your curfew/grace time to avoid a major or minor night check violation. **DO NOT LEAVE CAMPUS UNTIL YOUR LEAVE HAS BEEN APPROVED!**

Falsification of an overnight leave will result in disciplinary action, which could include suspension.

If a leave must be cancelled or the resident returns early from a leave, a dean or student dean needs to be informed, and the resident must be in the residence hall by curfew. A change in destination must be reported to the dean. Failure to do so will result in a falsified leave.

Residents with overnight leaves should not be in the residence hall during the dates on their approval leave. If you have a leave and are in the residence hall after 11 p.m. you must see a dean or student dean to be allowed out of the residence hall. Weekend leaves must be submitted by 9:00 p.m. on Thursday. Residents that submit a leave after 9:00 p.m. on Thursday must see a dean or student dean for approval.

Other aspects of the overnight leave policy are as follows: 1) If the period of the proposed leave from campus includes a work or class appointment, suitable arrangements must be made with the work supervisor or academic dean respectively; 2) Students on Citizenship Probation are limited to one overnight leave per month and then only to home; 3) If an emergency situation makes it impossible to return to the residence hall by the date and time stated on the leave, residents have the responsibility of calling their dean to request an extension of time. 4.) A host must be 23 or older for you to sign-out to their house. 5.) No leaves will be approved for sign-outs to Southern Village, Spaulding Cove, or other on campus housing. (with exception to guest lodging if you are staying with parents or immediate family who are 23 or older.)

Exiting and Entering Dorm from 11:00 p.m. - 5:00 a.m.

No one is to exit or enter the residence hall through the periphery doors from 11:00 p.m. Exiting and entering at this time should occur through the main entrance of the residence hall and the proper sign in/sign out process should be followed. Failure to follow this process is considered a major violation (see p. 29) and fines can be incurred. (During incident of fire alarm and emergency please exit/enter as instructed.)

End of Semester Violations

When there is less than 1 month to be on RHR or CP due to night check violations, the discipline for major NC violations will be: \$35 fine (reduced to \$25 if paid before you leave for the semester) and you will be placed on CP for the rest of the semester. If you receive an additional major night check violation, you will receive a \$100 fine and meet with the Head Dean.
