Student Signature

Students with disabilities requesting housing accommodations due to disability needs must adhere to the following procedures:

Adhere to all of the policies, procedures and deadlines for applications set by The Housing Committee.

Register with Disability Support Services by following the office registration procedures.

Provide Disability Services appropriate documentation to validate their need for housing accommodations. Appropriate documentation is defined as including:

- Current diagnosed disability;
- Documented with dates of examination;
- By a neutral examiner;
- Describing the methodology used;
- Listing functional limitations;
- Suggest logically related recommendations; along with
- Evaluator's credentials must be on letterhead, dated, signed and provide their license information.

Students will be notified of housing accommodations by the Housing Committee.
