I WILL CONSISTENTLY COMMIT MYSELF TO ACADEMIC, SPIRITUAL, SOCIAL, PERSONAL, AND CORPORATE RESPONSIBILITY.

CORPORATE

In lieu of a meeting, students who have complaints about nonacademic issues should forward them in written form to the Office of Student Development. PARENT COMMUNICATION
The Student Development office is committed to facilitating communication between the campus and parents within the guidelines specified by FERPA (the Family Educational Rights and Privacy Act). Because FERPA allows students to opt out of communication between their parents and Southern, parents who want to discuss grades and student conduct with Southern should discuss with their children the need to include their names as family that are given this privilege.

Another way that Southern is committed to parent communication is through its parent orientation. At the beginning of each semester, Student Development sponsors a parents’ orientation. It occurs on Move-in Day and is called the Main Event.

Still another avenue is Parents Weekend, which takes place in the winter of every even-numbered years. Generally occurring in February, Parent Weekend gives parents the opportunity to join their children in their classes, to meet with administrators, and to attend special programming and meals.
Southern also publishes Panorama, an online parent newsletter. It is sent out four times a year.

The other nine are appointed positions, selected from a pool of students who have applied to serve in those capacities. Those positions are as follows: Executive Secretary, Finance Director, Assistant Finance Director, Public Relations Director, Parliamentarian, and the four Student Media positions (see below for more information on these offices).

Another opportunity to get involved in student government is by serving as a student senator.

The insurance reimbursement is posted on the student’s account when it is received. The UHC is unable to process claims for students with private insurance, so students should plan to file their own insurance. A walk-out statement summarizing fees for services provided is available by request.

Medical information is strictly confidential and may be released only with the written permission of the student. The medical record is not accessible to anyone other than the professional staff of the UHC.

The UHC retains medical records for 10 years after a student’s last attendance at the university. Immunization records are kept indefinitely. Southern does not sponsor or participate in athletic competition with other educational institutions or churches.

AUTOMOBILES AND MOTORCYCLES
southern.edu/campussafety
All students who bring a motorized vehicle onto campus must register the vehicle through Campus Safety. Vehicle registrations are good for
one semester: students must re-register their vehicles each semester or summer that they are in attendance.

Students are to place the registration decal for their vehicles in the lower left corner of the windshields. These decals give students permission to park in lots that match the color of the decal assigned to the vehicles. Failure to register a vehicle or to park in an assigned parking lot will result in a parking fine. Repeat offenders of these policies can expect their vehicle to be booted. Campus Safety is responsible for parking enforcement.

Visitor parking is found in the northwest lot in front of Wright Hall.

**BICYCLES**

Bicycles should be ridden in a safe and courteous manner at all times. Trick riding, towing, riding with a passenger, riding on stairs, in buildings or any other deemed unsafe activity to rider or pedestrian is prohibited. Bicycles should be parked and locked in appropriate bicycle parking racks and not attached to handrails, light poles, sign posts, or parked in locations that will limit or delay pedestrian traffic or emergency exit from a building or area.

It is strongly recommended that bicycles be registered with the university through one of the residence halls. Campus Safety is responsible for monitoring and enforcing bicycle safety. Abandoned or confiscated bicycles that are not claimed after 90 days are disposed of according to statutes in state law.

**BUILDING ACCESS**

Buildings are locked and unlocked according to university set schedules. Students and visitors are to immediately leave a building at closing time. A current university faculty or staff member must accompany a student in a locked building.

**BULLETIN BOARDS**

Bulletin board material must be approved and stamped by Student Development prior to posting. The poster size should be no larger than legal size paper. Inappropriate bulletin board material will be removed by Student Development personnel.

**CAMPING**

Students who wish to leave campus for weekend camping trips must submit a request through the regular weekend-leave process. The following guidelines must be verified: specific identification of camping site, approved adult sponsor to accompany mixed-gender groups, and separate sleeping arrangements for each gender. Campus organizations and non-residence hall students are expected to follow these guidelines. Camping on the Biology Trail and White Oak Mountain is prohibited.
CELL PHONES AND MOBILE DEVICES USE
The use of cell phones and other mobile devices on campus is governed by general cell phone etiquette. Three of the “top ten things” to know about cell phone etiquette especially pertain to student life:
1) Be courteous to those you are with by turning off your phone if it will be interrupting a conversation, lecture, or activity;
2) Don’t make calls in a library, theater, or church;
3) Don’t text during class or at your job.
These rules of politeness govern the expectations Southern has for its students at worship services, convocations, and performing arts programming.
Professors often state their expectations about the use of mobile devices on their syllabi; however, in the event that faculty fail to do so, it is anticipated that students put their devices away unless professors instruct their students otherwise.
The use of the camera on a mobile device is always inappropriate in public restrooms, locker rooms, and showers. Such use could result in disciplinary sanctions.

CLASS VISITATION
Classes at Southern are open to registered students only. Information disseminated in the classroom or other places of learning is the primary product that the university sells. Hence, visitors may not enter such gatherings unless they are official guests with legitimate business in a classroom or have the permission of the instructor. Visitors who attend classes may not engage in the discussions unless invited to do so.

CLASSROOM CONDUCT
Professors and the institution reserve the right to remove students from classes if their behavior threatens the purposes of the class by exceeding the bounds of normal academic freedom. Professors conducting extension classes from other institutions on the Southern campus share the rights spelled out by this policy.

CLERY ACT
southern.edu/administration/campus-safety/clery
Southern complies with the federal Cleary Act requirements for reporting and maintaining public record of reported crimes. A daily crime log, monthly crime statistics, an Annual Security Report, and other required safety information are available upon request at Campus Safety.

CLUBS
See the Student Organizations heading in this section.
COMMUNICABLE DISEASE POLICY
The university is committed to acting with Christian compassion toward anyone with a communicable disease. Southern is also committed to protecting the members of its community from exposure to communicable diseases. The university’s position is that practicing universal contamination precautions, avoiding intravenous drug use, abstaining sexual relations outside of marriage, are the most effective ways to avoid exposure to communicable diseases. A plan with detailed procedures to accomplish these goals has been officially established and is published in the university’s *Policy and Procedures Manual* and is also on file in the office of the vice president for Student Development.

COMMUNICATION
Students are expected to communicate when contacted by university administrators. A student who refuses to respond may be subject to suspension.

CRIME ON CAMPUS
*Campus Safety, 236.2100, southern.edu/campussafety*
Campus Safety is available for assistance and service 24 hours a day, seven days a week. Emergencies and life-threatening situations should be reported to 911 immediately. Crimes, criminal-type activities, and life-safety problems should be reported to Campus Safety. The United States Department of Education and the State of Tennessee, Tennessee Bureau of Investigation, require colleges and universities to process crime statistics on the following: murder, rape, robbery, aggravated assault, burglary, motor vehicle theft, liquor violations, drugs, weapons, arson, larceny, and hate crimes. Crime statistics or additional information regarding safety is available at Campus Safety during regular business hours or on Campus Safety’s website.

CROSSWALKS
Pedestrians crossing the streets on campus should cross at the designated crosswalks. Tennessee law requires drivers to yield the right-of-way to pedestrians in crosswalks. However, no pedestrian shall suddenly leave a curb or another place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield. If the pedestrian does not allow reasonable time and distance for the driver to stop, the driver has the right-of-way.

CURFEW
Residence halls close at 11 p.m. Sunday-Friday, and at 12:45 a.m. on Saturday. Campus curfew is midnight. The campus is closed between midnight and 5 a.m. During this time, the walking/running track and the tennis courts may be used for their intended purpose with the provision that a valid university Campus Card be shown if requested by the Campus Safety officer on duty. Loitering on campus after buildings close
is prohibited. Residence hall students will be asked to return to their residence. The Student Park closes at sundown unless prior arrangements have been made through the Student Development office. Ropes courses and Biology Trails are closed at sundown.

DISABILITY SUPPORT SERVICES (DSS)
Lynn Wood Hall, Suite 137, 236.2574, southern.edu/disabilitysupport
Students with disabilities should contact Disability Support Services (DSS) when they decide to attend Southern. They should arrange an appointment for a confidential discussion of their situation, whether or not they intend to request accommodations. Students who request accommodations after the third week of the semester might not complete the process in time to receive accommodations for that semester. No retroactive accommodations can be provided.

Southern is in compliance with Section 504 of the Rehabilitation Act (1973) and is dedicated to the elimination of architectural and prejudicial barriers that prevent any qualified person from attending. Toward that end, Southern has established DSS to assist in advocating for reasonable accommodations that help ensure equal access to course content and evaluation. However, the university cannot assume responsibility for providing accommodations or special services to students who have not voluntarily (and confidentially) identified themselves as having a qualifying disability or to those who have not provided DSS with appropriate documentation of their disabilities.

DISTRIBUTION OF INFORMATION
Anyone who desires to distribute information via pamphlets or papers on the campus of Southern must receive permission from the Administrative Council through Student Development.

EMOTIONAL SUPPORT ANIMALS (ESA) – STUDENT HOUSING
The following statement is an abridged version of the full ESA policy. For the complete version, one may go to the Disabilities Support Services website (dss@southern.edu).

Southern Adventist University is committed to creating and sustaining a successful community of inclusive excellence as it prepares students to live, learn, and work among people who experience the world
in fundamentally different ways. As such, Southern is committed to allowing Assistance Animals, also known as Emotional Support Animals (ESAs), on its campus to provide individuals with disabilities an equal opportunity to use and enjoy university housing. Although it is the policy of Southern that pets, except for fish, are prohibited in university housing, Southern will consider a request for reasonable accommodation from this prohibition by an individual with a disability. However, no ESA may be kept in university housing at any time prior to the individual receiving approval as a reasonable accommodation pursuant to this policy.

The university will base such determinations upon the consideration of the behavior of the particular animal at issue, and not on speculation or fear about the harm or damages an animal may cause. Any removal of the animal will be done in consultation with the DSS.

**ENTERTAINMENT**
Southern expects students to choose entertainment with discretion and to choose content that is spiritually and morally uplifting, focusing on that which is noble, right, pure, lovely, and admirable.

**FAMILY EDUCATIONAL RIGHTS TO PRIVACY ACT (FERPA)**
Southern is committed to following all the requirements of FERPA. For specific information, contact Records and Advisement or see the Student Records heading in the Undergraduate Catalog.

**FIRE ALARM**
When a fire alarm sounds, everyone in the building must exit and go to the assembly area designated on each building’s evacuation signs. Make sure you stay outside the collapse zone of the building. Collapse zone is 1 ½ times the height of the building. The porch is NOT outside of the collapse zone. If the alarms or emergency personnel give other instructions, follow those instructions.

**FIRE DRILL**
Fire drills are required for all buildings each semester. When an alarm sounds, occupants are to follow the announced procedure promptly. There is a $200 fine for not evacuating the building.

**FIRE EQUIPMENT**
Tampering with fire extinguishers, fire alarms, smoke detectors, door closing devices, or other fire protection equipment will subject the offender to a $200 fine and discipline. Anyone covering, tampering with, or removing a fire-system device is subject to a fine of $200 and is responsible for damages. Tampering with fire equipment or violating fire regulations can result in civil and/or criminal charges and arrest.
FIRE HAZARDS
Candles, candle warmers, torchiere lamps, spider lamps, hot plates, toaster ovens, toasters, incense, open-flame lamps, or any other item that could cause a fire or smoke-related incident are prohibited inside buildings. Use of these items may result in a fine of up to $200, in addition to charges covering damages caused by smoke or fire. All lamps must be UL (or similarly) listed. Power strips must be grounded (three-pronged plug), have a built-in circuit breaker, be UL approved, and be undamaged. It is recommended that power strips also have built-in surge suppression.

FIREARMS AND OTHER WEAPONS
All city, state, and federal laws and regulations governing firearms and weapons apply on university property. Firearms and guns (including but not limited to bullet, pellet, BB, and paint ball), bows and arrows, blowpipes, knives (or any edged weapon over four inches from bezel to tip), nun chucks, throwing stars, brass knuckles, and any other type of weapon prohibited by law are not allowed on campus. Violators are subject to fines, disciplinary actions, and arrest on local, state, and/or federal charges.

FIREWORKS AND EXPLOSIVE MATERIALS
Fireworks, explosives, or any mixture of chemicals or substances that can cause fire, smoke, or explosions are prohibited. Violators are subject to fines, discipline, damage costs as a result of smoke, fire, or explosions, and arrest on local, state, and/or federal charges.

FUNDRAISING
Fundraising by student organizations requires approval by the Student Activities Committee. Soliciting an amount exceeding $500 requires approval by the Fundraising Committee. For further information, contact the director of Student Life and Activities. Approval must be received before any fundraising activities begin. Only organizations with current approval status may request permission to raise funds.

GRADUATION DECORUM POLICY
Southern's commencement ceremony is a formal event that exhibits the pride we have in the accomplishments of our graduates. As such, professional decorum is expected from those who attend or participate. Behavior that is loud, disruptive, or otherwise incongruous with that expectation may result in fines or other repercussions. Southern is within its rights to withhold diplomas and transcripts from students who have not paid their bill in full, including fees associated with improper graduation behavior. We encourage all in attendance to join us in enthusiastically celebrating individual academic accomplishments without diminishing this milestone moment for the group as a whole.
HAZING AND OTHER IRREGULAR ACTIVITIES
See Hazing and Other Irregular Activities heading in the Code of Conduct section.

HORSES
Due to the damage it causes to the landscape, horseback riding is not allowed on campus, including the Biology Trails.

HOUSING AND RESIDENCE REQUIREMENTS
The total social and educational program at Southern is based on the premise that this is a residential university, not a commuter institution. The campus provides two residence halls, one for males and one for females. For more information regarding housing, visit southern.edu/housing.

Single students under the age of 23, who are enrolled for more than three semester hours, and do not live with their parents or legal guardians, must live in the residence halls. Exceptions are made for students who have completed a bachelor's degree or a total of 124 credit hours.

In order to live elsewhere, a student must present a written request to the Housing Exceptions Subcommittee through Student Development. Such a request must include parental approval, specifics regarding residence requested, and the reasons an exception to the policy is being requested. Students under the age of 22 who are not scheduled to graduate at the end of the academic year should not expect their request to be approved. Requests will not be considered if a student is on citizenship probation. If approval has been obtained thru the housing committee, it is for that school year only and you will have to submit requests for each subsequent school year.

Students who do not abide by the residence requirements will have their registration cancelled. When a student has been given special permission to live off campus, no change in residence may be made without the permission of the Housing Exceptions Subcommittee.

All first-year and transfer students must reside in the residence hall of their gender or with their parents during SmartStart even though they may be taking three credit hours or less.

Except for student families and university-approved situations, Southern students of any age may only live with individuals of their same gender.

A student who lives in the residence hall must be registered in classes. Anyone who drops classes will need to make living arrangements outside of the residence hall. Exceptions to this policy must be cleared through the Dean of Students, the vice president for Student Development, and Student Finance.

Student family housing is available through Financial Administration. Only currently enrolled students may live in student housing.
HOUSING AGE REQUIREMENTS
The residence halls are designed for currently enrolled undergraduate students under 24 years of age. Those who are 24 to 29 years of age may live in the residence halls if space permits, but only after all students under the age of 24 are placed.

IMMUNIZATION REQUIREMENTS
- **PPD (TB) Skin Test**—Must be done within 6 months from the start of school. If positive, must attach a copy of a chest X-ray done within the last 5 years or IGRA lab test results
- **Two MMRs** (Measles, Mumps, and Rubella)—After 12 months of age for students born after 1956 or attach lab copies of titers showing immunity for all three diseases
- **Hepatitis B** (Series of 3)—Students must choose either to be vaccinated or sign a waiver.
- **Meningococcal Meningitis**—Students must choose either to be vaccinated or sign a waiver.
- **Two Varicella** (chickenpox)—For students born after 1980 or attach history of illness diagnosed by a health care provider or documentation of blood test showing immunity to Varicella.

Proof of vaccinations must be provided by submitting a copy of an official immunization record or a form by a medical provider verifying the immunization dates along with the physician's signature.

INTELLECTUAL PROPERTY POLICY
Southern Adventist University recognizes that research and creative activities are integral functions of a university. The University encourages such activities by the faculty, staff, and students, and recognizes its responsibility to see that creative and scholarly works are administered for the best interest of all parties concerned, including the public.

Southern affirms that the creator of intellectual property should have maximum freedom with respect to the creation consistent with obligations to Southern and other legal entities as established by the
Facility Affairs Committee. All intellectual property produced at Southern by faculty, staff, or students is covered by this policy. Intellectual property shall consist of, for example and without limitation: inventions, creative works, patentable subject matter, teaching resources, copyrightable materials, audiovisual materials, photographs, software, trade secrets and trademarks. No intellectual property is specifically excluded.

**WAIVER OF UNIVERSITY RIGHTS**

1. **Time for Review:** Before the creation of any work of intellectual property using substantial University resources, the creator(s) shall notify the office of the vice president of Academic Administration. Inventors and authors shall receive the written decision of the University’s intention to pursue or release rights of ownership within 45 days of the date of the formal submission to the office of the vice president of Academic Administration.

2. **Release of Invention to Inventor(s):** The University may determine that an invention will not be patented and will not be licensed or otherwise commercialized by the University. In those cases, the vice president for Academic Administration will cause ownership rights to be waived by the University.

3. **Use of Revenue:** Funds received by the University from the sale of intellectual property owned by the University shall be allocated and expended as determined solely by the University.

**UNIVERSITY OWNERSHIP**

When intellectual property, such as works, inventions, developments, or discoveries, is created with substantial use of University facilities, whether provided by external support or not, the University will originally retain the rights to the property, provided that it desires to commercially develop the property or to make it available to the public. If, however, the University elects not to commercially develop said property or fails to show diligence in such development, the ownership rights to that property may be acquired by the creator.

If the creator develops an intellectual property with substantial use of University facilities, she or he must make full and fair disclosure to the University of all such sources of compensation relating to that intellectual property.

**LIBRARY**

236.2788, southern.edu/library

McKee Library policies are available on the library website. Library users are asked to be considerate of the library facility, resources, and other people.

**LOCKDOWN**

64 POLICIES AND PROCEDURES
If there is an imminent threat to student or employee safety, the university may lock down the campus or portions of it. If a lockdown is announced, get into or stay in a lockable room. Stay away from windows and doors. Once the door is locked, do not open it for anyone. Wait for the all clear from emergency personnel or the alarm system. If you are outside in the open during a lockdown, move away from the area. If you are able to leave campus, this is advised.

**LOST AND FOUND**
**236.2100, southern.edu/campussafety**
Campus Safety maintains a lost-and-found system for cataloging, storing, and disposing of items found on campus.

**MEDIA TECHNOLOGY**
Because media technology has the potential to hinder learning and motivation, Southern has established policies and practices regarding its use.

Students are expected to choose media content by applying Biblical standards: what is true, honest, just, pure, and brings honor to God and His creation.

Student choices that have a negative impact on their own or another student’s grades and/or spirituality may result in fines and/or confiscation of equipment. Media use should not disturb neighboring rooms in residence halls or cause a distraction in common areas on campus. A television viewing room is available in each residence hall. Residence hall deans are responsible for programming these sets. In addition, two large screens are located in the Student Center under the supervision of the director of Student Life and Activities.

Students are expected to honor provisions in the Acceptable Use Policy, which they signed through Information Systems when receiving a southern.edu email account and access to the Southern network. Violations of these standards may result in university disciplinary action and criminal charges through the courts.
MEDICAL EMERGENCIES ON CAMPUS

236.2100 or 911

Southern Adventist University has an open medical services system, meaning any person can activate the emergency medical system by calling 911 or Campus Safety.

Situations that would definitely call for emergency medical services (EMS) would include:
1. Any life threatening situation
2. Loss of consciousness
3. Difficulty breathing
4. Chest pain
5. Uncontrolled bleeding
6. Seizures
7. Detached body parts
8. Severe/uncontrollable pain
9. Visible deformity

Because every situation is different and dynamic, each situation calls for decision making that is beyond the scope of this policy. If in doubt, call.

Calling 911 or having an ambulance on scene does not mean the patient must be transported by ambulance. A conscious, coherent, competent adult can refuse service and assume responsibility for their medical outcome.

MEDICAL LEAVE OF ABSENCE/WITHDRAWAL

Students may experience life circumstances or physical or mental health conditions that compromise their health, safety, or academic success or those of other students at Southern. In such circumstances, students may need to leave the university and their studies and resume the pursuit of their academic and co-curricular goals later. The withdrawal process may be initiated by the student, the student’s representative, or the university. A completed Academic Petition Form with appropriate supporting information should be submitted to the Records and Advisement office.

The Records and Advisement office processes Medical Withdrawal requests upon receipt of the appropriate supporting information. The time frame for requests is within 30 days of the last day of attendance, but in no case later than two weeks prior to test week. A ‘W’ is recorded for all classes dropped.

Students are encouraged to speak with a Student Finance counselor prior to withdrawal to determine how a withdrawal will impact current and future charges, financial aid and scholarships, and Satisfactory Academic Progress. Refunds for withdrawals are calculated according to the standard refund policy.

The full Medical Withdrawal policy is available at southern.edu/administration/student-development/.

66 POLICIES AND PROCEDURES
MINOR STUDENTS
Students under the age of 18 are subject to specific regulations appropriate to their age in relationship to the university. If they do not live with their parents or legal guardians as commuting students, all minor students must reside in one of the residence halls. A parent or legal guardian must sign all release forms for the university, University Health Center, and the residence hall. Signatures may be sent by fax with the initial application but must be followed with the actual signed document. Prior to a student’s departure on university-sponsored trips off campus, a parent or legal guardian must sign the release form specific to the event or activity. Minor students must follow all requirements specified in the Residential Life Handbook pertaining to their age, including curfew, late leaves, overnight leaves, employment, and automobiles. A student under the age of 16 must reside with his or her parents or legal guardian.

MOVIES/VIDEOS/DVDS
The Film Subcommittee must approve in advance any feature-length films to be shown on campus or during any university-related function. Current copyright laws prohibit universities and sub-organizations from publicly showing movies that are intended for private use. Requests for the showing of films should be directed to the chair of the Film Subcommittee.

Academic schools/departments and residence halls may approve films for specific non-academic use. In such cases, the chair/dean plus one or more additional departmental faculty must participate in the approval process. Prior to the approval process, the schools/departments must contact the chair of the Film Subcommittee, who will provide film approval guidance.
MUSIC STANDARDS
Music performed or reproduced anywhere on campus is expected to be in harmony with standards of good taste applicable to the occasion and in keeping with the ideals of spiritual commitment and personal relationship with God. To assist with this responsibility, a screening committee is appointed by the University Senate each year to screen student programs before they are presented. Student groups must contact the chair of the Screening Committee three weeks before their scheduled performance, so that the committee can be called for the screening. Failure to have a program properly screened may cause cancellation of the program.

NONDISCRIMINATION
In compliance with all applicable federal and state regulations, the university does not discriminate on the basis of race, color, gender, ethnic or national origin, disability, or age.

PARKING
See the Automobiles and Motorcycles heading.

PERSONAL IDENTIFICATION
Students are to present proper identification when requested to do so by administrators, faculty, and staff.

PROTECTION OF PERSONAL PROPERTY
Students should lock their rooms, apartments, vehicles, and bicycles. They should also store and lock personal items in an appropriate place. Keep a list of all valuable property, including serial numbers. A Valuable Property form can be picked up at Campus Safety or the residence halls. Missing items should be reported to Campus Safety, with a description and serial number if applicable. Southern is not responsible for damaged, stolen, or missing personal property.

Southern encourages students to purchase insurance for covering loss or damage of your items. See a residence hall dean for more information.

PUBLIC DISPLAY OF AFFECTION
Students are expected to conduct themselves with discretion and in a manner that is consistent with public Christian decorum.

QUESTIONNAIRES, SURVEYS, AND RESEARCH
Proposed student research must undergo a review process prior to research activity. This includes questionnaires or surveys by student organizations as well as research for class assignments. Further information and the required approval forms may be obtained from the vice president for Academic Administration or vice president for Student Development.
RECORDING
The use of electronic devices as a tool for learning is highly encouraged as long as permission has been granted by those being recorded prior to recording. If the content is to be broadcast or published, documented consent must be secured from the instructor.

RECREATIONAL VEHICLES (RV’S)
Recreational Vehicles (RV) and tent camping are not permitted on university property. The university does not have facilities or parking areas for RV or tent camping.

REGISTRATION
Students register for classes online at southern.edu/register. Help with academic questions is available by calling 236.2899, for technical support, call 888.309.2471. Students must register for courses no later than the second week of the semester.

RESIDENCE HALL EVICTION
Residence hall housing is designed for currently enrolled undergraduate students under 24 years of age. A student must vacate Southern housing when registered for fewer than 6 credit hours during the first or second semester. A dean will provide notification in writing that the student will have 48 hours to vacate the residence hall. This policy also applies during summer terms if a student does not retain his/her accepted status. If the student does not vacate housing within the allotted time, his/her personal belongings are placed in storage and the student will forfeit all refundable housing deposits and fees. Any exceptions must be arranged through the Dean of Students and with the approval of Student Finance.

RESIDENCE HALL ROOM RESERVATIONS
University policy provides residence hall living space for students 24 and older only if space is available. Currently, students up to age 24 may reserve a residence hall room. A student may confirm a room reservation after being accepted by Southern and paying the $250 Commitment Deposit. The deposit is due May 1 and is held in reserve until the student graduates and/or permanently moves out of the residence hall.

Refunds are not made until after 30 days of residency and all residence hall obligations have been satisfactorily cared for, such as assuring that the room is left clean and undamaged. Refund request must be before June 1.

ROOFS
Any individual who is on the roof of a university building without authorization will be fined $200. This constitutes trespassing and can also result in civil charges. Contact Campus Safety for authorization for classes and special projects.
SABBATH OBSERVANCE
The Sabbath is God’s time for people to meet with Him in an atmosphere free from non-spiritual distractions. To facilitate this, the university gives primary attention to worship, rest, Christian fellowship, and service from Friday sundown until Saturday sundown. During these hours students are expected to refrain from secular activities including secular entertainment, secular music, shopping, sports, school studies, work, and other similar activities.

SELLING
Sales people and buyers are not allowed to solicit on Southern’s general campus, including the Student Center. Exceptions to this policy for the residence halls must be approved by the Dean of Students in consultation with the vice president for Student Development.

SEVERE WEATHER
If the outdoor tornado siren or indoor warning systems sound, seek shelter immediately—severe weather is imminent. Follow the instructions of the announcement or emergency personnel. Familiarize yourself with shelter locations in the buildings you use.

SEXUAL ASSAULT AND/OR HARASSMENT
Southern students, faculty, and staff will not engage in or tolerate sexual harassment, which is defined as “unwelcome sexual advances, requests for sexual favor, and other verbal or physical conduct for a sexual nature.” Any sexual behavior which creates an intimidating, hostile, or offensive working or school environment is a violation of Christian standards as well as applicable state and federal regulations and should be reported to the appropriate supervisor or residence hall dean, or the Title IX Coordinator, in the Risk Management office. Any student, faculty member, or staff member who is guilty of such activity will be subjected to discipline, including dismissal and criminal prosecution.
SEXUAL CONDUCT
Southern welcomes all students into a safe and supportive environment in which to discuss and learn about a variety of issues, including those of human sexuality. The university affirms the Biblical understanding of sexuality as a gift from God. Southern promotes purity in singleness and fidelity in marriage, which it believes was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in living companionship. Departures from this norm include both heterosexual sex outside of marriage and homosexual behavior.

Southern prescribes Biblical standards of personal conduct. The university does not condone non-marital heterosexual conduct or homosexual conduct, or the encouragement or advocacy of any form of sexual behavior that would be contrary to the Seventh-day Adventist beliefs or the faith mission of the university.

The university encourages students struggling with these issues to avail themselves of opportunities for serious, confidential discussion and support through Counseling Services, 236.2782, or the Chaplain’s Office, 236.2787.

SEXUAL HARASSMENT, SEXUAL OFFENSES, AND RETALIATION POLICY
Southern firmly believes that its students and employees have a right, in its workplace and educational programs and activities, to be free from gender-based harassment, sexual discrimination, and misconduct. Students will be held accountable for policy violations that take place between the time they first arrive on campus to begin their Southern program and their graduation, or the university’s confirmation of their resignation or expulsion. Conduct that may be subject to the university disciplinary process includes, incidents that take place on or near Southern’s property, in connection with a Southern-related event, or off-campus. Also included, are incidents that may represent a threat to the safety of Southern’s community, its members, the pursuit of its objectives, and/or the educational environment of others. Southern also prohibits retaliation against any person who brings a good faith complaint under this policy or is involved in the complaint process. Conduct that violates this written policy may also violate state or federal law.
Students or employees who violate this policy will be disciplined, which may include dismissal from Southern or termination from employment.

Southern students and employees will not engage in or tolerate sexual discrimination, harassment, misconduct, sexual violence or retaliation. Conduct prohibited by this policy does not generally include simple teasing, off-hand comments, or isolated incidents that are not serious. Rather, conduct that rises to the level prohibited by this policy includes, unwelcome gender-based verbal or physical conduct that is sufficiently severe, persistent, pervasive, or that unreasonably interferes with someone’s ability to do their job or to participate in or benefit from Southern’s educational programs and activities.

Conduct that violates this policy may result from actions that threaten a student or an employee in any Southern-related setting, whether it is conduct between students, between employees, between employees and students, or between students or employees and anyone properly conducting business on campus.

In summary, any sexual behavior that creates an intimidating, hostile, or offensive working or school environment is a violation of Christian standards as well as applicable state and federal laws and should be reported to the appropriate supervisor, Dean of Students, or Title IX Coordinator. Southern complies with all Clery Act regulations. Any student or employee engaging in any activity prohibited by this policy is subject to discipline, up to and including, but not limited to, dismissal from Southern and criminal prosecution.

Students should refer to the online version of the Sexual Misconduct Policy for a description of the steps that will follow any complaint under this policy. Southern offers support for any student subject to any type of sexual offence and to any violation of this policy.

SKATEBOARDING AND SKATING
Roller skating, inline skating, skate boarding, and longboarding have a risk of injury or damage. Consequently, the rider performs this activity at his or her own risk. The university assumes no liability or responsibility for injuries received while riding on university property. Riders are to abide by the following:
1. Wearing a helmet is required. Wrist guards, elbow pads, and knee pads are recommended
2. Provide right of way to pedestrians
3. Stop at all pedestrian roadways crossings, check for cross traffic, and proceed with crossing only when it is safe to do so
4. No riding on roads, driveways, parking lots, the running/walking track, or in areas where vehicles are normally driven and operated
5. No riding inside buildings
6. No riding, jumping, or sliding on stairs, railings, curb edges, benches, walls, or trick riding

72 POLICIES AND PROCEDURES
STUDENT HEALTH INSURANCE
Wright Hall, 2nd Floor, 236.2566, southern.edu/risk

- **Health Insurance**—The university requires all students to have adequate accident and health insurance covering both inpatient and outpatient services. The same coverage is encouraged for spouses and dependents. All students must submit the Student Insurance Information form at the beginning of each school year. Students taking six or more credit hours (three or more credit hours during any summer session) or living in university housing are automatically enrolled in the university health and accident plan at the time of registration. Students will continue to be enrolled each successive fall semester unless a waiver is completed. Students who have signed a waiver form may later request enrollment at any time. A refund of the premium is allowed only upon entry into the military services. Create an account and print your card from uhcsr.com/southern.

- **Injury Insurance**—Injury insurance is included in your school fees and is automatically given to students taking six or more credit hours. This coverage is for students who are accidentally injured on campus or on a school-sponsored trip. Create an account and print your card from uhcsr.com/southern. Medical facilities should bill this insurance as your primary insurance. It will pay up to $2,500 of the costs involved in medical help following an injury.

STUDENT ORGANIZATIONS
More than 50 academic and special-interest organizations are approved each school year. Each organization must file a Student Organization Registration Form listing the organization’s purpose, officers, and faculty adviser(s) with the Student Life and Activities office. Documents of discipline resulting in suspension are kept for seven years from the date a student last attended Southern. In certain cases, such as official banning from campus, documents are kept indefinitely. Copies of relevant letters from other departments are kept for four years.

TITLE IX
See the Title IX heading in the Services section.

TUITION REFUND
A student who withdraws from school during the semester may receive a tuition and fees refund. This is based on the date in which the completed withdrawal form, with all returned signatures, is filed with Records and Advisement. See the Undergraduate Catalog for percentage details.

UNIVERSITY HEALTH CENTER/CHARGES
southern.edu/universityhealth
Charges incurred at the University Health Center (UHC) are applied to the student account. The UHC will submit claims for those with Southern's student insurance. The insurance reimbursement is posted on the student's account when it is received. The UHC is unable to process claims for students with private insurance, so students should file their own insurance. A walk-out statement summarizing the fees for services provided is available by request.

VEHICLE SALES
Only university-owned vehicles are permitted to be left on campus, this includes Fleming Plaza, for the purpose of advertising for sale.

WEAPONS
See the Firearms and Other Weapons heading in the Services section.

WORSHIP/CONVOCATION/VESPERTS/EVENSONG
The Bible makes clear that spiritual growth is dependent on both personal and corporate worship. While all students are encouraged to cultivate a personal devotional life, Southern's Worship and Convocation program provides the campus the opportunity to come together for spiritual fellowship. Residence hall evening worships (Sunday-Wednesday), Morning Meditations (Monday-Thursday), Vespers (Friday evening, Evensong (Saturday evenings) and LifeGroups (times vary) are the regularly scheduled spiritual programs during the week.

Southern accentuates its liberal arts program with its weekly convocation series. Meeting at 11:00 am every Thursday of the academic year, it is an hour when the entire academic community assembles to
celebrate God’s good gifts of intellect. Convocation provides a unique opportunity to celebrate persons whose scholarship, art or public service embodies the ideals of a Christian, liberal arts university. The mission of the convocation program is to enhance the academic program of Southern by celebrating and honoring academic achievement and presenting programs which enrich the classroom experience (or the formal curriculum). Speakers bring a variety of perspectives on topics and issues drawn from across the spectrum of liberal arts disciplines in the arts, sciences and humanities. This Southern program is intended to promote broad discussion and active response from the academic community, extending beyond the convocation setting to classrooms and residence halls. The goal is to broaden and deepen our appreciation of creation and culture and to equip us to become discerning agents of redemption. Consistent with Southern’s mission, the ultimate goal of convocation is to foster the development and application of a Christian worldview, though individual speakers need not endorse this goal. Other purposes of convocation include:

1. To present programs that will reinforce and/or challenge perspectives expressed elsewhere in the academic program
2. To encourage students to listen respectfully and learn graciously both from those with whom we agree and disagree
3. To have the opportunity to meet and understand those outside the community and to provide them opportunity to meet and understand us (i.e., the purposes of the program extend beyond just the period of formal presentation)
4. To provide some common experiences as an academic community, which can serve as points of reference for illustration in other academic activities.

Evensong is a one-credit worship option for students. It often meets in the Collegedale SDA Church sanctuary, though the venue can change. The service usually is timed to begin 20-30 minutes before the end of the Sabbath to celebrate in Christian praise the end of one week and the beginning of another.

Because Southern’s Worship and Convocation program is co-curricular, all students, both residential and commuter, are required to attend a set number of services during a semester. This number is determined by class standing as follows:
Requirements for residential students:

Requirements for part-time students: Part-time students (defined for this policy as any student taking 6-11 hours) who reside on campus follow the residence hall requirement for their class standing. Part-time commuter students are to maintain worship attendance at the same level as full-time commuter students.

Married students and students with children, veterans, students 23 or older prior to start of the semester, students who have already earned 124 hours, those student teaching, online and Consortium students are exempt from these requirements.

Student may earn Enrichment Credits in the following increments:

1 Credit: Evening Worships, Morning Meditations, Student Organizations, Departmental, School, and Class-sponsored Convocations, Evensong

2 Credits: LifeGroups, Vespers, Weeks of Prayer (Fall Student Week of Prayer and Residence Hall Week of Prayer), Thursday Convocation, Performing Arts programs
Student who fail to meet the above credit requirements will be assessed fines and face discipline as follows:

Southern Adventist University is a community committed to following Christ. Consistent with the mission of the University, we aim to create integrated, biblically-centered learning experiences that promote whole-person development of all students.

Community is best created on an Adventist campus when all members are committed to Jesus’s command to “Love your neighbor as yourself.” Stated another way, community occurs as a result of other-centered practices, strengthened when members:

- live with integrity,
- live in reconciled relationships,
- accept responsibility for their actions and words,
- submit to biblical instruction, and
- walk by the Holy Spirit.

An expectation that results from such community building is that the members of this community abide by community rules that make reaching our goals possible. All students are expected to abide by these community rules both on campus and off. As women and men of Southern, we desire to be people who pursue growth in our personal, relational and spiritual lives. Our desire is to support your resources, and, when necessary, accountability, in order to help you grow.

ACADEMIC AND DISCIPLINE GRIEVANCE PROCEDURES

Students who believe that their academic rights have been infringed upon or that they have been treated unjustly with respect to their academic program are entitled to a fair and impartial consideration of their cases. They should do the following to effect a solution:

- Present the case to the professor or professors concerned.
- If necessary, discuss the problem with the department chair or school dean.
- If agreement is not reached at this level, submit the matter to the Senior Vice President for Academic Administration.
- Finally, ask for a review of the case by the Academic Grievance Committee, chaired by the Senior Vice President for Academic Administration or his designee and including three other faculty members and two students selected by the Undergraduate Council. Both the student and the professor involved in the case are entitled to appear before the committee or to present a written statement of the case. The decision of the committee shall be
presented in writing to the individuals involved within three days of the committee meeting unless a later time is agreed upon by both parties. The decision of the committee is binding and will be implemented by the professor involved or the Vice President for Academic Administration.

**ALCOHOL, TOBACCO AND ILLICIT DRUG USE**

Southern strives to maintain a safe and healthful environment for its students and employees. One way the university does this is by enforcing a drug-free lifestyle for employees and students. Therefore, manufacturing, distributing, possessing, and/or using tobacco, vapor or e-cigarettes, alcohol, and illicit drugs is strictly prohibited. This restriction includes the serving of alcohol, a fact which should be taken into consideration when seeking employment.

Though tobacco is not an illicit drug, nicotine has addictive properties and is responsible for a variety of health-related problems. It is Southern's policy to remain a safe and healthful environment. Possession, use, or distribution of tobacco products by Southern students is strictly prohibited. Violation is grounds for disciplinary action up to and including dismissal.

Illicit drugs include opium derivatives, hallucinogens (such as marijuana, mescaline, peyote, LSD, psilocybin), cocaine, amphetamines, codeine, heroin, methamphetamines, morphine, and other drugs prohibited by law. This definition does not include lawfully prescribed drugs that are being taken under a physician’s direction.

By enrolling at Southern, all students agree to submit to random drug testing. If the vice president for Student Development and a residence hall dean have reasonable suspicion or evidence of drug use, they will require a student to submit to chemical screening. The student is obligated to pay the expenses of the assessment and screening if those tests are the result of the student’s having violated this policy. The student is also obligated to pay the expenses in the event that a random screen reveals that the student has used illicit drugs. Any student who is found to have drunk alcoholic beverages or is in possession of alcoholic beverages will be required to submit to a chemical screening.

The results of a student's failed alcohol or drug test are kept in the student’s file in the office of Student Development. Consistent with the regulations of FERPA, disclosure of this information to other school officials, including professors, within the institution occur only if the institution has determined that those entities have a legitimate reason to know. As such, the schools of Nursing, Social Work, Education and Psychology and Religion have policies that establish them as legitimate need-to-know entities.

Possession, use, or distribution of tobacco products, alcohol, or illicit drugs by Southern students is strictly prohibited. Violations of this policy is grounds for disciplinary action up to and including dismissal.

Further information can be obtained from the *Substance Abuse Policy* booklet available in the Student Development office.

CODE OF CONDUCT 79
ASSAULT
Students involved in an incident of physical, verbal, or sexual assault are subject to disciplinary actions that are defined in other policies in this handbook (see "Sexual Assault and Harassment" under Services and "Discipline" in this section, Policies and Procedures). Both criminal and legal action may be taken if it is determined that a crime has been committed.

FIREARMS AND OTHER WEAPONS
All city, state, and federal laws and regulations governing firearms and weapons apply on university property. Firearms and guns (including but not limited to bullet, pellet, BB, and paintball), bows and arrows, blowpipes, knives (or any edged weapon over four inches from bezel to tip), nunchucks, throwing stars, brass knuckles, and any other type of weapon prohibited by law are not allowed on campus. Violators are subject to fines, disciplinary actions, and arrest on local, state, and/or federal charges.

FIRE EQUIPMENT
Tampering with fire extinguishers, fire alarms, smoke detectors, door closing devices, or other fire protection equipment will subject the offender to a $200 fine and discipline. Anyone covering, tampering with, or removing a fire-system device is subject to a fine of $200 and is responsible for damages. Tampering with fire equipment or violating fire regulations can result in civil and/or criminal charges and arrest.

FIREWORKS AND EXPLOSIVE MATERIALS
Fireworks, explosives, or any mixture of chemicals or substances that can cause fire, smoke, or explosions are prohibited. Violators are subject to fines, discipline, damage costs as a result of smoke, fire, or explosions, and arrest on local, state, and/or federal charges.

HAZING AND OTHER IRREGULAR ACTIVITIES
Hazing by organizations or individuals is forbidden. Any student who plans or engages in hazing or commits any act with intent to degrade, embarrass, or injure a fellow student is subject to discipline, including dismissal.

ILlicit DRUG USE
See Alcohol, Tobacco and Illicit Drug Use heading in this section.

SANCTIONS
All major disciplinary procedures are under the direction of the vice president for Student Development. Discipline for minor infractions may be administered by the Dean of Student. The Dean of Students has the authority to suspend students in the event that the vice president for Student Development is not available. A student who may be subject to discipline is counseled by the Dean of Students regarding the student’s rights, including voluntary withdrawal from school and possible disciplinary action. If suspension is a possibility, the student will meet
with the vice president for Student Development, a dean from each residence hall and/or other appropriate university officials. The decision regarding the appropriate disciplinary action is made and communicated by letter. The student accepts this decision or has the right to appeal to the Discipline Review Committee within 48 hours. The vice president for Student Development has the prerogative to refer any case to the Discipline Review Committee. This committee includes the director of Student Life and Activities, the Dean of Students, two faculty selected by University Senate, and one faculty selected by chair from a list of three provided by the student.

Categories of discipline are: residence hall restriction, citizenship probation, suspension, on-campus suspension, withdrawal at the end of the semester, immediate withdrawal, expulsion.

**Residence Hall Restriction** is imposed by the resident hall deans for policy violations. Possible restrictions may include some or all of the following:
1. No late leaves
2. No weekend leaves
3. No late entries
4. No grace period extensions
5. Community service options during the suspension with specific appropriate restrictions.

**Citizenship Probation** places the student on notice that his/her registration may be interrupted or cancelled. It also carries some or all of the following restrictions:
1. One approved weekend leave per month to home
2. Alteration of motor vehicle privileges
3. No late leaves
4. Only one off-campus leave per week with no personal car use. The student must obtain a ride for this leave, via permission from a dean, and return to campus by sundown
5. A perfect record of presence for night checks and regular attendance at classes, Convocations, and worships
6. Loss of all student leadership positions, including Student Association and religious activities
7. No participation or public appearances for on or off-campus activities that represent the university, except for class-related events.
8. Other restrictions deemed appropriate

*Students who are banned from campus may not be on any university campuses, including all university housing, the Bauxite and White Oak Mountain trails; the Village Market plaza; all ballfields; the Collegedale SDA Church; Spalding Elementary; Collegedale Adventist Middle School; and Collegedale Academy. Failure to abide by a ban may result in trespassing charges against violators.
Suspension requires a student to leave campus for a specified period or for the complete term—in which case he/she is dropped as a registered student. A student who has been suspended indefinitely must submit a request for re-admission to the vice president for Student Development. Violations typically leading to suspension are alcohol and drug use, stealing, spending the night unsupervised with a member of the opposite gender, sexual immorality, and repeated violations of university policies.

On-campus Suspension allows a student to remain on campus during the suspension with specific appropriate restrictions.

Withdrawal at the end of the semester or session allows completion of course work for that semester or session if the student’s conduct is acceptable for the interim.

Immediate Withdrawal includes a student agreeing to move away from the university community; unwillingness to do so may result in formal dismissal.

Expulsion means a student will not be eligible for re-admission.

The university discipline process is separate from any criminal procedures. Discipline decisions may rely in part on information received from civil authorities but are not dependent on civil or criminal proceedings.

A student who receives any discipline will receive a letter from the vice president for Student Development or Dean of Student. This letter is made part of the student’s official record, which is used as a reference in evaluating future behavior, and may be used when making future recommendations. Copies are sent to the parents of dependent students.

A student who has been administered discipline by the deans of either residence hall may appeal the decision to the vice president for Student Development. The vice president’s decision may be appealed to the Discipline Review Committee. The president is the final point in the appeal process.

SEXUAL ASSAULT AND/OR HARASSMENT
Southern students, faculty, and staff will not engage in or tolerate sexual harassment, which is defined as "unwelcome sexual advances, requests for sexual favor, and other verbal or physical conduct of a sexual nature." Any sexual behavior which creates an intimidating, hostile, or offensive working or school environment is a violation of Christian standards as well as applicable state and federal regulations and should be reported to the appropriate supervisor or residence hall dean, or the Title IX Coordinator in the Risk Management office.

Any student, faculty member, or staff member who is guilty of such activity will be subjected to discipline, including dismissal and criminal prosecution. Southern offers support for any student subject to sexual assault or harassment.
Assault is a crime and should be reported to one or more of the following immediately:
1. Local law enforcement, 911
2. Campus Safety, 423.236.2100
3. Dean of Students 423.236.2900
4. Title IX Coordinator, Risk Management, 423.236.2266

If you are a victim of sexual assault:
1. Go to a safe place
2. Report the assault to local law enforcement, Campus Safety, or Dean of Students
3. Do not shower or change clothing, as this may destroy vital evidence
4. Call a close friend who can come to your location and offer you support

SEXUAL MISCONDUCT
As a Seventh-day Adventist educational institution, Southern Adventist University is committed to promoting a campus environment where sexual misconduct is not only not tolerated but also where victims of sexual misconduct of all kinds are provided support and avenues of correction. Many activities prohibited by Southern’s Sexual Misconduct Policy are unlawful, and all are antithetical to the mission of the university. Therefore, Southern takes reasonable and appropriate remedial action to prevent sexual misconduct; to eliminate any hostile environment, including retaliation; to prevent its recurrence; and to correct its discriminatory effects on the Complainant and any others. Students who violate this policy are subject to discipline, which may include dismissal from Southern, termination from employment, and, if the legal system is involved, criminal prosecution.

STANDARDS OF BEHAVIOR
Students are expected to establish a Christian lifestyle that fosters maximum spiritual, mental, physical, and social growth. Such a lifestyle will include engaging in prayer, Bible study, Christian-service activities, practicing good study habits, selecting a balanced and nutritious diet, scheduling adequate periods of rest, participating in wholesome recreational and leisure-time activities, and relating responsibly and respectfully to other persons. Behaviors that do not promote such a lifestyle and are expressly forbidden include the use of alcoholic beverages, tobacco, and illicit drugs; gambling; dancing; improper sexual conduct; and attendance at entertainments that are spiritually or morally destructive. The School of Education/Psychology, Religion, Social Work, and Nursing have policies that establish them as legitimate need-to-know entities. Possession, use, or distribution of tobacco products, alcohol, or illicit drugs by Southern students is strictly prohibited. Violations of this policy are grounds for disciplinary action up to and including dismissal. Further
information can be obtained from the Substance Abuse Policy booklet available in the Student Development office. It is inappropriate for students of the opposite gender who are not married to each other to spend the night together. Students who engage in such behavior will be subject to discipline.

**SUICIDE/SELF-HARM**

Any student who attempts suicide, displays behavior that could lead to such an act, or demonstrates a tendency toward self-harm, will be placed on an open-ended medical leave of absence. Continuation as a student will occur only after the student has presented documentation of an approved therapy program.

**THEFT**

Protection against theft is a serious challenge for an institution in which hundreds of people reside close to each other in a relatively open manner. Students should always take precautions to protect their personal belongings. The act of individuals taking any item they do not own without permission is regarded as theft. Students who are involved in theft are subject to both legal prosecution and campus suspension or dismissal.
